This note sets out the background to the Community Governance Review Process. Wiltshire Council is undertaking a Community Governance Review in certain areas beginning on 19 August 2022.

A [webpage](#) has been established for provision of information relating to the review, and for receipt of any initial comments or submission of additional proposals.

What are Community Governance Reviews?

1. A Community Governance Review (CGR) is a process to provide opportunity to review and make changes to governance arrangements to town and parish councils. This is to ensure that they continue to be reflective of the identity and interest of local communities, and that they are as efficient and effective in their governance as possible.

What can a Community Governance Review change?

2. A Community Governance Review can make a number of changes to parish areas and parish electoral arrangements including:
 - Altering, merging, grouping, creating or abolishing parishes
 - the naming of parishes and adoption of alternative styles for new parishes (the naming process can also be undertaken under S75 of the LGA 1972)
 - parish council size. e.g. number of councillors to be elected, and warding arrangements
 - any other electoral arrangements
3. A Community Governance Review is not responsible for the number of boundary of unitary divisions of Wiltshire Council. That is a process known as an Electoral Review and is conducted by the Local Government Boundary Commission for England (LGBCE). In certain circumstances a Community Governance Review may request minor alteration to a unitary division as a consequence of other changes, but this must be agreed by the LGBCE.

Who carries out a Community Governance Review?

4. Principal councils (district councils or unitary councils) have the power to carry out Community Governance Reviews and put in place or make changes to local community (parish) governance arrangements
5. Wiltshire Council has established an [Electoral Review Committee](#) to oversee Community Governance Reviews, including setting the scope of any review, its methodology and its timescales. The committee will make recommendations relating to any review to Full Council, to make the decision.

Why and when is a Community Governance Review carried out?

6. As principal authority Wiltshire Council may schedule a review in response to a reasonable request from an individual, group or parish when it considers it practicable to do so, except those that are the result of a petition containing sufficient signatures which must be reviewed once the petition has been verified. Wiltshire Council may also suggest a review when it considers it appropriate to do so.
7. The Electoral Review Committee is responsible for deciding when it is practicable to review requests which have been received.
8. Reasons for a Community Governance Review can include, but are not limited to:
 - Changes in population
 - Housing growth
 - Anomalous boundaries
9. In 2019 Wiltshire Council contacted town and parish councils requesting expressions of interest for any changes to governance from parishes. A number of areas have been reviewed each year since 2019.
10. At its [meeting](#) on 31 May 2022 the Electoral Review Committee approved the terms of reference for a Community Governance Review to start on 19 August 2022, to include the following areas:
 - Netheravon/Figcheldean
