Community speed enforcement officer-updates

Local Priorities & Updates

Priority	Update
Burglaries/theft	There has been an increase in low thefts and breaks in rural properties. This is a cross border issue with offenders primarily attending from the Thames Valley and Hampshire areas. In order to combat, a dedicated operation is in place with the rural crime team. This is joint up with surrounding forces and focuses on both prevention through crime safety advice to premises, and targeting of offenders. This is also linked to wider hare coursing offences and Operation Galileo. This is also linked to commercial breaks being seen across the area.
Retail Theft	An increase noted in retail theft in Marlborough. Active work ongoing to both deal with offenders and provide crime prevention/safety advice.
Increase In police visibility	A core current priority is to increase police visibility within the community, through both physical and online presence. More details to be announced soon but will include clear advertising of drop in sessions and accessibility, and a review of Police engagement/attendance at Parish Council level.
Theft from 'Beauty Spots'	As we move into the nicer weather/seasons- we are likely to start seeing an increase in thefts from vehicles in beauty spot locations. Early ongoing work with other forces and agencies and this will see enhanced police action as the seasons change.
