| ABG1271 | Community Area Grant | The Langford Parish Hall | Langford Village Parish Hall Community Kitchen | £468.37 | £234.18 |

Project Summary:

Currently in the existing kitchen Food preparation, storage and cooking all exist on one side of the kitchen. In addition to not meeting food hygiene standards for the processing of food for public consumption , where these tasks are meant to be separated, the way that this works means that people in the kitchen are 'congested' and could cause an accident. So to separate the activities and give a clear working safe space around the cooker it is essential to rewire the electrics.
