- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities

Our Engagement Vision

Community Engagement impacts on everything we do

- We will use a range of techniques and channels to best connect with our communities to obtain their views on policing in the county, and ensure these techniques and channels are visible and accessible
- We will work collaboratively with a variety of partners to engage with communities where it makes sense to do so
 - We will actively encourage and enable people to be part of our policing conversations to help shape our approach, response, policy, and delivery
 - We will ensure our diverse and under-represented communities have a voice and are represented in conversations
 - We will demonstrate where we have listened and where we have changed our service as a result of what our communities are telling us
 - We will evaluate the success of our engagement activity and learn lessons to improve future engagement

Chippenham Police Retail Working Group

Shoplifting and retail crime is a growing national concern and one of our key local priorities is the reduction of retail theft and an increase in successful prosecutions.

To achieve this, with the help of our local retailers, we can work towards reducing the 30% increase year on year in shoplifting recorded by the police in England and Wales, according to Office of National Statistics data released in July.

The Chippenham Neighbourhood Policing Team (NPT) would like to hear from all our local retailers to become part of a new Operational Retail Working Group that will meet monthly and be led by the Police. The purpose is to give retailers a voice and influence local policing but not discuss individuals or specific incidents.

Our first two meetings were held on 19th September and 22nd October at the Chippenham Museum. We would like to say a huge thank you to everyone who attended.

We would like to pass on our thanks to Chippenham Town Council for arranging the meeting venue for us. This shows their commitment to working in partnership with us and local businesses to combat retail crime in Chippenham.

Chippenham Night Time Economy (NTE)

The safety of people in the night time economy is everyone's responsibility. Together, we must change our culture to call out behaviours which are disrespectful and cause harm.

The Town of Chippenham is proven to be a safe and welcoming environment for those visiting. Chippenham Neighbourhood Policing Team have worked closely with the Town Council to assist with the Purple Flag accreditation and offer congratulations on retaining accreditation for the 9th consecutive year.

The Neighbourhood Policing Team:

- **Run monthly Night Time Economy Operations** focussing on the safety of those attending licensed premises as well as ensuring the licensed premises are adhering to their licence terms. Richard Tottle – New Licencing Officer for the Town has met with all licensees and regularly visits our licenced premises. Rich has recently retired from Policing following 30 years as a Police Officer, the majority of his time a Sergeant within the Swindon Neighbourhood Policing Team.
- Support the Town Council with the resurrection of the Pub Watch scheme – **First Pubwatch to be hosted at The Pheasant on 12th November.**
