

Shadow Community Operations Boards

Salisbury Community Area

Background

Wiltshire Council is looking to develop community campus facilities within each community area across Wiltshire to serve the local and surrounding area. Each campus will incorporate all or most local services provided by the Council, and potentially partners, and will be designed to meet local needs.

Community involvement and influence in the development of the buildings is crucial to their success and sustainability if we are to provide services people need. The Council would like to test extending that community influence to the day-to-day operation of the campus facilities and as such we are putting in place a Shadow Community Operations Board that will be made up of local representatives. The Community Boards will operate to specific terms of reference agreed by the Area Board and will broadly look at:

- Ongoing effective community consultation and engagement to ensure local people and groups are directly involved in the design of their campus and the identification of the services to be provided.
- Helping to gather valuable information from the testing of community influence in day-to-day operations so in the future the Council can consider a decision as to whether to extend this across the county.

Representation

The Shadow Community Operations Board will consist of an appropriate, mutually agreeable representative from the following broad sectors of the local community area:

- (i) There will be one representative for each party identified.
- (ii) The board will need to nominate a chairperson at its inaugural meeting.
- (iii) The board will need to determine if the suggested representation appropriately reflects the description of the party.

- (iv) There will be up to three representatives identified by the user and community group sector and approved by the Area Board. Such representatives should be selected so as to ensure proper representation from distinct interest groups within that sector.
- (v) The Wiltshire Council liaison representative will be an officer from the Campus and Operational Delivery Programme team and will be invited to sit on the board as a non-executive party.
- (vi) Each party should endeavour to be represented at each formal meeting.
- (vii) Each executive party will have equal rights.
