Michael Hudson, Service Director (Finance) presented the Wiltshire Council Financial Plan Update 2013/14.

The Council's budget was £9.852 million down from the previous year when taking into account the 2012/13 government grant and council tax, compared to 2013/14.

The Council was committed to continuing the freeze in Council Tax for the forthcoming year. The budget also included 1% put aside to cover pay inflation increase.

The Council was continuing to invest in key frontline services such as safeguarding vulnerable children/adults and waste, with a total increased investment of £17.804 million.

Procurement had been an area of large savings, such as with £1.2 million saved with regards the Highways Contract, and a saving of £400,000 from the extension of leisure contracts. In total, savings of £27.656 million had been identified for 2013/14. The largest tranche of savings had been achieved through service efficiencies.

The Service Director (Finance) stated the budget for 2012/13 was anticipated to be balanced.

Details were provided of the central government formula for calculating the grant to Wiltshire from collected business rates, and the current multiplier for business rates was stated to be 46.2p for those with a rateable value under £18,000 and 47.1p for those with a rateable value over £18,000.

The Leader of the Council welcomed questions from the Non-Domestic ratepayer present. There would also be the opportunity to submit questions and comments following the meeting.
