Quality shed to store resources

6. Project summary:

We have previously delivered a Stay and Play session at the Youth Centre in Westbury. The building is about to be closed and we need a shed to store the resources in. We have had a small shed in the past, but items have gone mouldy, so need a shed that is of a better quality. The resources will be made available for parent and toddler groups to borrow for a three month period, so need to be able to store the resources in an organised fashion, keeping the resources in good condition.
