# Local Priorities & Updates

Priority	Update
Non dwelling burglaries	We have seen an increase in reported non-dwelling burglaries across the area. We have increased our presence in our rural communities during the evening and nights, as these areas tend to be targeted more. We are continuing to work with our colleagues from Dorset and Hampshire in building intelligence and carrying out proactive operations.
Vulnerability Patrols / Closure Notices	Officers conduct regular visits to our identified vulnerable people to both reassure them following reported concerns and to deter visits by criminals who wish to exploit them. We have been working closely with Wiltshire Council Housing on evidence to support several injunctions which we have now got in place. These premises are visited regularly by the teams to provide support to those who are most vulnerable.
Community Speed Watch	Officers from the neighbourhood and response teams have continued to support our CSW colleagues where possible out in the community.
Rural Crime	Rural crime continues to be a focus for the team with increased reports of poaching / hare coursing over the past weeks. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.

# Local Priorities & Updates Continued

Priority	Update
ASB	We have received a number of reports of ASB in Churchill Gardens, Odstock Road and some areas in Laverstock. Some of these reports have mentioned the use of catapults. Officers have been engaging with local residents to try and identify possible offenders. Targeted patrols are being conducted in these areas to increase visibility and community reassurance.
Rogue Traders	We have continued to receive reports of rogue traders operating across the area. Officers have carried out several proactive operations with our partner agencies. A number of persons have been checked with regards to the services they are advertising and providing to the community to ensure the work is legitimate. Officers have also delivered a number of security advise leaflets in several areas which have previously been targeted.
Shoplifting	This time of year sees an increase in report of shoplifting offences many of which are reported as bulk shoplifting incidents. The neighbourhood team will be involved in a number of proactive operations in the city centre to provide additional visibility and to deter possible suspects from committing such offences.
