Local Priorities & Updates

Priority	Update
Criminal Damage	We continue to actively patrol 'hot spot' areas in order to prevent incidents of ASB and criminal damage. We have identified a repeat young offender and are working with the Youth Offending Team and the CPS. Our aim is to secure prosecutions and identify how we can best support this young person to change their behaviour and assist them with making better life choices.
Road Safety	The Community Policing Team has been conducting speed checks at various locations around Malmesbury and the surrounding villages in order to improve road safety and target offenders. This remains a priority particularly as we move into the festive season and support our Roads Policing Team with their annual drink drive campaign.
Night Time Economy	We have been working in partnership with the Licensing Team to visit licensed premises. A dedicated NTE operation is planned in anticipation of Christmas events in order to promote safety and public order.
