# Local Priorities & Updates

Priority	Update
Speeding	The Community Policing Team has been conducting speed checks at various locations around Royal Wootton Bassett and the surrounding villages in order to improve road safety and target offenders. We support our local Community Speed Watch teams and use the data they collect to increase speed checks and provide a visible Police presence to target those areas with the highest numbers of speeding drivers.
Burglaries	Following an increase of dwelling burglaries in November we continue to conduct targeted patrols of vulnerable locations, promote crime prevention advice to the Community and work with the Fortitude Team to identify the offenders.
ASB	We have been working with the Council and Police Licensing Teams to engage with local License Holders to ensure compliance with the regulations and promote maximum community safety. We have run a number of test purchasing operations at various premises and held a Night Time Economy operation in December.
