# Local Priorities & Updates

Priority	Update
Speeding	The Community Policing Team has been conducting speed checks at various locations around Malmesbury and the surrounding villages in order to improve road safety and target offenders. We support our local Community Speed Watch teams and use the data they collect to increase speed checks and provide a visible Police presence to target those areas with the highest numbers of speeding drivers. A particular location that we have been paying attention to recently is Tetbury Hill, which also includes work with partners and local businesses to improve road safety conditions.
Criminal Damage	Following an increase of graffiti throughout the town, the Team has worked in conjunction with Malmesbury School to identify perpetrators and take restorative action. This is an ongoing investigation but will hopefully yield a positive result for the Community.
ASB	The Team have been tackling a number of incidents of anti-social behaviour throughout Malmesbury and are continuing to work with our partner agencies, including the Housing Associations and Youth Offending Team, to deal with offenders robustly.
