# Local Priorities & Updates

Priority	Update
Rural Crime	Rural crime continues to be a focus for the team with increased reports of poaching / hare coursing over the past weeks as is expected at this time of year. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.
ASB and minor Criminal Damage	There has been an increase in reports of ASB and minor criminal at St Marys Church in Wilton. We have increased patrols in the area to try and identify possible offenders. Work is ongoing with the Church to offer further advice around potential additional security measures.
Community Speed Watch	The team continue to support our CSW teams across the area where and when possible, providing reassurance within the community. The team have also conducted a number of speed checks along The Avenue in Wilton. This will remain a focus for the team
School Talks around "Online Safety and People Who Help Us"	We have attended a number of primary schools in various location and provided talks regarding online safety and people who can help you. This has been a great opportunity to start working back within schools, I possible and engagement with the pupils. The team are looking at other topic areas which they can deliver to both primary and secondary school children.

# Local Priorities & Updates Continued

Priority	Update
Closure Orders & protecting vulnerable persons	<p>We have three Closure Orders in place in and around Salisbury at present, which we are continuing to monitor and enforce where breaches are reported. We will continue to work in partnership with Wiltshire Council to identify properties responsible for localised ASB and secure Closure Orders for these properties, in order to protect those deemed as vulnerable. Closure Orders are powerful tools that we can use to address ASB originating from an address or location and are particularly useful in dealing with ASB associated to drug use and drug dealing.</p>
