Please give a general description of the premises (please read guidance note 1)

Krumbz Café is a new café on the riverside in a picturesque location. The premises is primarily food led but wishes to add alcohol ancillary to the food offer. This is primarily to accommodate the passing tourist trade during the summer months.

The premises occasionally is used for private events such as birthdays or baby showers.

The applicant has considered whether a condition limiting alcohol ancillary to food is appropriate. Whilst this may be of benefit, the applicant is confident that they can manage the premises, and ensure the licensing objectives are upheld, through a strong management presence during trading hours. Supported by training for staff and CCTV on the premises and covering the external area.

The application requests the authorisation for alcohol sales on and off the premises from opening time at 08:00 until a potential close of 22:00. This is to allow for a potential application to vary the planning consent in the future to extend the operational hours. This is not the general opening hours and, by example, on the 26<sup>th</sup> April 23 the premises only operated until 14:30hrs.

The licence holder commits to operating as a café with occasional off-sales. To support the application the licence holder commits that no more than 5% of the public area shall be allowed for display of alcohol for off-sales to the public, all alcohol stored in the public area shall be within clear sight of the service area and till.

The website can be viewed at: <https://krumbzcafe.co.uk>

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
