What are the Fatal Five?

- Careless driving
- Drink and drug driving
- Not wearing a seatbelt
- Distracted (using a mobile phone)
- Speeding

Road users who commit one of the Fatal Five offences are far more likely to be involved in a fatal collision than those who do not.

People are dying on our roads as a result of motorists' poor driving, reckless decisions and momentary lapses in concentration.

Fatal collisions are heart-breaking – for the family, for the community, and for the responding emergency services staff who have to witness the tragedy and subsequent aftermath and we've seen too many this year already.

Stopping any more deaths from occurring as a result of something unnecessary and totally avoidable is a top priority for us.

Across the Summer, our Community Policing Teams, along with speed enforcement officers and the Roads Policing Unit will be making sure motorists are being safe and driving smart.
