Community speed enforcement officer-updates

Local Priorities & Updates

Priority	Update
Thefts/Rural Crime	During the last 2 months, a spike in local thefts from vehicles and thefts from outbuildings has been identified. Work will now focus on both investigation of offences, and increasing 'crime prevention' advice to residents through drop in sessions and engagement opportunities
Speeding	In feedback to resident concerns, the Neighbourhood Team have conducted multiple speeding checks across the Marlborough sector with a range of drivers given words of advice, driver improvement courses or summonsed to court. These will be continue and are publicised on social media
Increase In police visibility	A core current priority is to increase police visibility within the community, through both physical and online presence. There has been a real drive and significant focus on high visibility policing in rural villages. Over the last 3 month period response and neighbourhood officers have recorded nearly 100 high visibility patrols in rural villages, including engaging with shops/premises and community events. This will continue
