

Wiltshire Council

Environment Select Committee

11 January 2024

Climate Emergency Task Group

Background

1. The Climate Emergency Task Group (CETG) is a standing task group reporting to the Environment Select Committee. The task group's initial terms of reference were endorsed by the Select Committee on 3 September 2019 and were revised on 9 November 2021.
2. The task group has produced two reports with recommendations:
 - Energy and Transport & Air quality (29 September 2020)
 - Planning (13 January 2021)
3. At its meeting on 6 June 2023 the Select Committee approved the continuation of the task group 2023/24.
4. The task group's last update to the Select Committee was on 11 November 2023.

Membership

5. The membership of the task group is as follows:

Cllr Clare Cape
Cllr Sarah Gibson
Cllr Tony Jackson
Cllr Jacqui Lay
Cllr Brian Mathew
Cllr Nick Murry
Cllr David Vigar
Cllr Ian Wallis
Cllr Graham Wright (Chairman)

Terms of Reference:

6. The task group's revised terms of reference were endorsed by the Environment Select Committee on the 9 November 2021. These are:
 - a) To help shape and influence the development of Wiltshire Council's programme (in all relevant areas) for meeting its objective of making Wiltshire Council carbon neutral and seeking to make the county of Wiltshire carbon neutral by 2030 (excluding the geographical area administered by Swindon Borough Council).

- b) To scrutinise the delivery of this objective through the Climate Strategy (2022-2027) and its delivery plans, as well as key plans, policies, and programmes, such as the Local Plan, Local Transport Plan and Green and Blue Infrastructure Strategy. Including the way in which the Council is measuring progress and how it is performing and reporting against baselines.
- c) To provide recommendations on other aspects of decarbonising the county including partnership working and community-led approaches as well as acting as a national role model.

Recent Activity

10. The task group met on the 28 November 2023 to consider its forward work plan for the coming months.
11. The task group considered the following:
 - Air quality, monitoring, and action planning.
 - The Local Transport Plan with a particular focus upon bus travel and the use of alternative fuels in public transport.
 - Carbon audits, their wider application particularly within small businesses
 - Engagement with the wider community.
12. The outcome of that discussion can be seen in the task group forward work plan in Appendix 1.

Forward work plan

1. The Climate Emergency Task Group forward plan is attached at Appendix 1.

Proposals

That the select committee:

- 1. Notes the update on the Task Group activity provided above.**
- 2. Notes the Climate Emergency Task Group's forward work plan in Appendix 1**

Cllr Graham Wright, Chairman Climate Emergency Task Group
