New Service User Engagement Service

In January 2024 the new Service User Engagement Service led by Community First started. Working alongside our partners:

- Wiltshire Service Users Network
- Wessex Community Action
- Age UK Wiltshire
- Alzheimer's Support
- Celebrating Age

The new service unifies the collective strengths of its partners to support the voice and engagement of people in Wiltshire.

Working in conjunction with Wiltshire Council and the BaNES, Swindon and Wiltshire Integrated Care Board (BSW ICB) we will be engaging with people living and working in Wiltshire to co-produce, co-design and co-develop health and social care services in Wiltshire.

We will be working alongside people with physical disabilities, sensory needs, mental health conditions, learning disabilities, neurodiversity, long term conditions, complex needs, older people and dementia. Empowering and facilitating them to have their say and get involved in shaping how health and social care services work for them now and in the future.

We will be using various consultation and engagement methods that will range from in person conversations to online interactions whilst also embracing new technologies. We will ensure that we use a wide variety of approaches so that we are able to reach and engage with a population with varying and diverse needs. Through exploring innovative approaches to engagement, we will aim to encourage participation in co-production amongst the population of Wiltshire.

Alongside, we will also be offering training and capacity-building opportunities to Commissioners to enhance their understanding of co-production principles and practices.

Community-Led Housing Project

Community First is working alongside Wiltshire Community Land Trust and other stakeholders to re-launch the Community-Led Housing Project for Wiltshire. The Homes of Our Own project will be re-launched in 2024. The project aims to work with local councils, voluntary groups and members of the community who are interested in supporting the provision of Community-Led Housing in their local area.

We are currently developing a community survey to help shape the offer of support. More information about the Community-Led Housing Project will be shared as the project develops.
