

## Healthwatch Wiltshire calls on public to help set priorities

We're calling on the people of Wiltshire to tell us what you think we should be working on in the coming year.

Each year we decide on our key projects, based on public feedback, and we'd like your views to help us plan what we should be focusing on in the next 12 months.

We have shortlisted six potential projects for 2024/25:

- The wellbeing of children and young people
- Pharmacy
- Care at home
- Accessibility of health services
- How the cost of living is affecting our health
- The impact of living in a rural county

### Tell us what you think

Let us know what you think should be a priority for Healthwatch Wiltshire by [completing our short online survey](#). You can also call us on 01179 654444.

You will also be able to tell us your thoughts at events we'll be attending over the next few weeks. Visit our Events page to find out where we're heading.

**Stacey Sims**, Healthwatch Wiltshire Manager, said: "Our work for the year ahead will be driven by what the people of Wiltshire tell us is important to them. We want to make sure that the public continues to play a key role in helping to shape the health and care system, both now and in the future."

The survey is open until 5pm on **Wednesday 20 March**.
