

## **Wiltshire Council**

### **Environment Select Committee**

**18 July 2024**

---

### **Climate Emergency Task Group**

#### **Background**

1. The Climate Emergency Task Group (CETG) is a standing task group reporting to the Environment Select Committee. The task group's initial terms of reference were endorsed by the Select Committee on 3 September 2019 and were revised on 9 November 2021.
2. The task group has produced two reports with recommendations:
  - Energy and Transport & Air quality (29 September 2020)
  - Planning (13 January 2021)
3. At its meeting on 14 June 2022 the Select Committee approved the continuation of the task group 2022/23.
4. The task group's last update to the Select Committee was on [4 June 2024](#).

#### **Membership**

5. The membership of the task group from April 2024 is as follows:

Cllr Clare Cape  
Cllr Sarah Gibson  
Cllr Jacqui Lay  
Cllr Dr Brian Mathew  
Cllr Dr Nick Murry  
Cllr David Vigar  
Cllr Ian Wallis  
Cllr Graham Wright (Chairman)

#### **Terms of Reference:**

6. The task group's revised terms of reference were endorsed by the Environment Select Committee on the 9 November 2021. These are:
  - a) To help shape and influence the development of Wiltshire Council's programme (in all relevant areas) for meeting its objective of making Wiltshire Council carbon neutral and seeking to make the county of Wiltshire carbon neutral by 2030 (excluding the geographical area administered by Swindon Borough Council).

- b) To scrutinise the delivery of this objective through the Climate Strategy (2022-2027) and its delivery plans, as well as key plans, policies, and programmes, such as the Local Plan, Local Transport Plan and Green and Blue Infrastructure Strategy. Including the way in which the Council is measuring progress and how it is performing and reporting against baselines.
- c) To provide recommendations on other aspects of decarbonising the county including partnership working and community-led approaches as well as acting as a national role model.

## **Recent Activity**

### **Tree & Woodland Strategy (28 June 2024)**

7. The task group received a briefing about the emerging strategy, which covered the following:
  - Why woodlands trees and hedgerows?
  - Policy background
  - Aims and objectives
  - Strategy structure
  - Strategy targets
  - Trees as an asset
  - Who will use the strategy
  - Timetable for Delivery
8. To increase the Wiltshire's tree cover to 17% by 2045 422 hectares of new woodland would need to be planted per annum or approx. 675,000 trees per year (Climate Strategy Delivery Plan for Wiltshire 2022-2024).
9. The task group asked about how the entire tree, woodland and hedgerow programme is being communicated more widely. How the strategy fits with the Local Plan, Neighbourhood Plans, and the council's use of its own estate. Also, how the strategy would be funded.
10. The task group welcomed the strategy but would encourage the council to implement it as soon as possible.
11. The task group will continue to monitor the strategy and has asked a number of follow up questions.

## **Forward work plan**

12. The Climate Emergency Task Group forward plan is attached at Appendix 1.

## **Proposals**

**That the select committee:**

1. Notes the update on the Task Group activity provided above.
  2. Notes the Climate Emergency Task Group's draft forward work plan, see Appendix 1.
- 

**Cllr Graham Wright, Chairman of the Climate Emergency Task Group**
