# Engaging Communities

## ENGAGE REGULARLY WITH COMMUNITIES BY HOLDING FACE TO FACE EVENTS

- We will hold at least one public meeting / surgery per month, giving you a chance to meet your local team and find out more information on local policing priorities, crime stats and engagement opportunities
- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

## ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

## INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

## PUBLISH INFORMATION ON YOUR LOCAL TEAM, LOCAL PRIORITIES AND UPDATE ON ACTIVITY

- We will provide you with information so you know who your local Neighbourhood Policing Team is by publishing this on the **Your Area** section of the Wiltshire Police website
- We will publish monthly local priorities on the **Your Area** section of the Wiltshire Police website and, through our regular engagement with you, we will consult you when we are setting them
- We will provide community updates on activity being carried out to help tackle local priorities
- We will ensure intelligence-led visible patrolling in local communities, at least once a week, responding to local policing issues and concerns
- We will publish local policing updates, wherever possible, in community magazines / newsletters or bulletins.

## CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
- We will consult regularly with our Independent Advisory Groups (IAGs) to ensure they have a voice as a critical friend to help shape our policing service.

Our mission: Keeping Wiltshire Safe		
Our priorities:		
Safer public spaces	Violence	Burglary

# Local Priorities & Updates

Priority	Update
<p>Shoplifting Spike, including Warminster</p>	<p><b>ONGOING – POP PLAN IN PLACE</b> - Warminster - There is an ongoing spike in shoplifting in the surrounding areas, PC HAMEL has taken lead on this and a problem solving approach working with business around shoplifting protocols, prevention and enforcement</p> <p>Days of action and Operations will be taking place in Warminster – support from other areas Last day of action 28<sup>th</sup> August , another day will be planned for the next 4-5 weeks , this will be late afternoon evening</p> <p>Forward thinking to Winter months and Christmas – as we see an increase around DECEMER TIME</p>
<p>Youth ASB</p>	<p><b>ONGOING – POP PLAN IN PLACE</b> - Warminster - PC Fairley has responsibility and problem solving for Youth ASB – partnership working with youth network and other departments in Wiltshire Council, tackling ASB – Criminal damage , Public order offences and theft – NPT holds the investigations for the Arsons</p> <p>Pc Fairley is also working with the team around targeted patrols when Schools re starts after summer, 4<sup>th</sup> first school day back the team will be out on patrols in hot spot areas around peaks times , this will happen again on 10<sup>th</sup> September .</p> <p>Plans are being put in place for Half term week for October – Halloween and Firework night</p>

Rural Crime – Burglary and Non dwelling burglaries	Took a spike at the beginning of the year – PC Russell has responsibility and long term problem solving for Dwelling and Non Dwelling burglaries in the rural areas concentrating on Mere and Tisbury – We have seen a significant decrease in the last 6 weeks – Planned Operations have been run to target certain locations and crime prevention advice offered out – TWO Ops held on 29 <sup>th</sup> and 30 <sup>th</sup> July rural . Working closely with rural crime team and Dorset
Drugs	DRUGS DOES NOT GO UN NOTICED OR IGNORED – Due to the sensitive matter and confidentially around this and developing intel we don't highlight work until we have executed drugs warrants We are continuing to work on and gather intelligence around drug use and supply in the area- I have an intelligence officer who assists with this and building any drug intel and warrants to target address . We have plans to execute three drugs Warrants in September

**CADETS** – we are setting up a Cadet Unit in Warminster and now recruiting Cadets , hoping this will be up and running by November – this will be held at The Garrison Community Centre, who are supporting us with the venue – age 13-16years – will be ran on a Tuesday evening .

**Reporting crimes and incidents** – Its really important to encourage the correct procedure on reporting crime and incidents – this needs to be via 101 or online crime report- or 999 in an emergency – Local Poling team can not take reports and can not action matters going on in the community with out the correct process being followed- Data is extremely important to us and this is how we can effectively and efficiently manage what's going on in our area and allocated the correct resources at the correct times , we can also see trends , peaks and exceptions to crime and incidents

# Working with our Rural Communities /villages

## New mobile police stations

To reach our rural communities and villages the team will be out in the New mobile police station when they can – these will be advertised on social media time dates and locations , they will also be at community events .

## Parish Councils

We are trying to work more closely with our Parish Councils – Each Parish council should have contact with their Local PCSO who should be offering support – due to the amount of Parish councils its not possible to get out to all meetings face to face

Parish council forum for County Set up by Chief Inspector Brain – via teams for all Parish councils – currently these will be run 4 times a year
