Integrate new Champion into Health &amp; Wellbeing Group.</p>

Road safety: feeling safer on our roads and encouraging active travel Cllr James Sheppard	Marlborough LHFIG	To continue to support parish councils to engage with LHFIG process Address speeding on our roads. Support local Community Speedwatch groups. Lobby Wiltshire Police / PCC to make best use of data from SIDs and other recording devices	Area board / SEPM  Cllr James Sheppard / SEPM	All town and parish councils are able to report concerns about e.g. speeding issues and how to tackle them and how to bring new requests to LHFIG for action  Continue to support local councils to identify locations of speeding. Help create / recruit new Community Speedwatch groups to monitor these. Lobby for greater Police presence of speed checks	AB members speak about LHFIG to their local parishes. SEPM engages with local Clerks about process.  Encourage local councils to request traffic surveys to test reports of speeding
		To encourage local schools to take up Bikeability training	Area board / SEPM / Road Safety Education Manager (Jane Deeley)	All children in the local area to be offered the chance to learn safer bike-riding skills and to feel more confident out riding (Level 3 includes riding on busy streets)	AB members to encourage their local primary schools to take up the offer of free Bikeability training on offer from Wiltshire Council.
	To host an "All things Policing" event during area board meeting on 3rd December. To invite PCC, Chief Constable or other senior officers to engage with residents, local councils, town- and rural businesses, etc to hear latest news and ask questions on policing and safety in the community area. To collect details of issues and questions in advance in order to brief police colleagues on what is important to the area, so be better able to answer questions on the night.	Area board / SEPM	To provide a forum for different sectors of the community to meet with, question and hear directly from senior police officers about issues affecting the area. For local people to be better informed about what Wiltshire Police is doing in this area. For local residents and business-owners to be feel reassured over police activity / effectiveness in the area.	To promote Marlborough Area Board's meeting as a forum where people can hear directly from Wiltshire Police and ask questions about local issues.
