Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;
<http://www.dwfire.org.uk/community-safety-plan/>

Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know:-

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email fire.safety@dwfire.org.uk and the Fire Safety Team will respond in office hours.

Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at enforcement@dwfire.org.uk
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e. you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at www.dwfire.org.uk/working-for-us/on-call-firefighters/ or should you have any questions, you can call **01722 691444**.

Recent News & Events

First national Biker Down safety campaign held

The National Fire Chiefs Council (NFCC) held its first national Biker Down safety campaign between 11-17 April.

Biker Down is a free three-hour course that provides practical and potentially lifesaving advice, and the sessions are suitable for riders of all experience levels.

The course gives riders an awareness of what to do if they are involved with or see an injured motorcyclist, and how to reduce their own risk of being in a collision.

The national campaign also highlighted the importance of motorcycle maintenance and the wearing of legal and protective riding gear, especially since the trade in counterfeit and fake gear has grown in recent years.

Bonfires and garden safety

Bonfires are very common in the summer, but they can get out of control very easily. If you want to burn off garden waste, here's some safety advice:

- Site any bonfire well away from buildings, fences, trees and garden structures.
- Have a garden hose to hand in case the fire starts to get out of control.
- Don't light a bonfire on a windy day, as it could flare up more than you expect.
- Be courteous to your neighbours – if you're planning a substantial bonfire, let them know, and stay with it at all times to ensure that it remains safe.
- If you're intending to have a large bonfire, use our **on-line form** – we often receive emergency calls from people who can see lots of smoke, and it helps us to know where this could be a controlled burn.
- Never use flammable liquids such as petrol or paraffin to start a bonfire.

If you have concerns about the environmental impacts of bonfires, such as smoke, you will need to contact your local council.

Water safety

Cooling off in rivers, canals, ponds, quarries and lakes can have deadly consequences.

Every year, firefighters are called to incidents where residents (particularly children and young people) get into difficulty when swimming in open water.

For further information on the dangers of cooling off in open water and some key safety tips for staying safe near water, please visit: - <https://www.dwfire.org.uk/safety/safety-outdoors/water-safety/>

Supporting Pride

The International Day Against Homophobia, Transphobia and Biphobia, which is marked every year on 17 May, was created in 2004 to draw attention to the violence and discrimination experienced by lesbian, gay, bisexual, transgender, intersex people and all other people with diverse sexual orientations, gender identities or expressions, and sex characteristics.

As a Service, we work hard to create a culture where all staff can come to work and be themselves. We also have a supportive network in place, Firepride, which is open to everyone.

As part of our commitment to supporting all communities, we will be attending the Pride celebrations within our Service area, which are back this year after being affected by Covid over the past two years.

Salisbury Area Board - Youth grants report

The Salisbury Area Board’s youth panel met on Monday 6 June, including attendances from Karlene Jammeh (Community Engagement Manager for Salisbury), Cllr Ricky Rogers (Salisbury Area Board Lead Councillor for Children and Young People), Cameron Strawson (Youth Voice Support Worker) and the Salisbury Youth Councillors.

Grant applications were reviewed that provide positive activities for young people aged 13-19 or up to 25 with SEND and seek to address the local priorities for Salisbury:

- ❖ Youth engagement, employment and positive activity opportunities
- ❖ Addressing climate change
- ❖ Supporting positive mental health and wellbeing
- ❖ Supporting low income individuals and families
- ❖ Celebrating diversity

The total amount in the Youth grants fund for 2022/23 is £24,422.

Three Youth Area Board grant applications for Salisbury were presented to the group and the following recommendations have been made to the Salisbury Area Board:

Application	Project cost	Amount Requested	Amount recommended	Rationale
Rise61 - Creative Hub after school clubs	£25,000.00	£5,000.00	£2,500.00	<ul style="list-style-type: none"> • 6/8 Youth Councillors voted for this grant to be funded • The project demonstrates the positive work of Rise:61 and the opportunities for young people from lower-socio economic groups • The Hub will provide young people with skills and experience which they can utilise in future employment • With a limited number of 4-10 places available for young people over two clubs, the panel agreed to part-fund this project • Therefore, the panel would recommend a significant contribution of £2,500.00
Salisbury Methodist Church - Summer School for Refugee	£25,855.00	£4,995.00	£4,995.00	<ul style="list-style-type: none"> • 8/8 Youth Councillors voted for this grant to be funded • The panel provided positive feedback and support for initiatives for young Ukrainian

Salisbury Area Board - Youth grants report

Application	Project cost	Amount Requested	Amount recommended	Rationale
Teenagers in Salisbury				<p>refugees in Salisbury, as a vulnerable part of the community</p> <ul style="list-style-type: none"> The project demonstrates how this will improve their English, but also important elements of the teenagers meeting other young people from Salisbury, socialising through other activities and to keep them engaged in positive opportunities throughout the Summer The panel have recommended the full amount of £4,995.00 to be awarded
Wiltshire Makers CIC - Wiltshire Makers Castle Street Opportunity	£9,000.00	£4,500.00	£0.00	<ul style="list-style-type: none"> The Youth Councillors voted that this was not a high priority for young people and the project lacks the demonstration of how it would positively impact young people in the Salisbury community area Although there is an element of education and employment opportunities within the grant application, the grant would be mainly for the running costs of the shop and salary of the artists The panel agreed that this is a very niche market and the panel decided there were alternative sources of funding that would be more suitable With a high number of applications and a limited amount of funding in this pot for the amount of applications submitted, the panel recommend that this project would not be awarded funding
