<u>Minute No..</u>	<u>Summary of Issues Discussed and Decision</u>
1.	<p><u>Chairman's Welcome and Introductions</u></p> <p>The Chairman welcomed everyone to the meeting of the Westbury Area Board.</p>
2.	<p><u>Apologies for Absence</u></p> <p>Apologies for absence were received from Simon Todd, Dorset & Wiltshire Fire and Rescue Service as well as from Councillor Jane Russ, Westbury Town Council.</p>
3.	<p><u>Declarations of Interest</u></p> <p>Councillor Carole King declared that in relation to the grant application from Westbury Heritage Society she was the treasurer.</p>
4.	<p><u>Minutes</u></p> <p>The minutes of the meeting held on 25 November 2021 were presented for consideration and it was;</p> <p><u>Resolved</u></p> <p>To approve the minutes as a correct record.</p>
5.	<p><u>Chairman's Announcements</u></p> <p>The chairman gave the following updates:</p> <ul style="list-style-type: none"> • Ask Angela Campaign Relaunch The Chairman drew attention to a briefing note attached to the agenda which was a reminder of the Ask Angela Scheme. It was outlined that the scheme helps to keep people safe on a night out and to protect anyone feeling vulnerable while on a date or with someone they have met. Further information and posters can be found on the Ask for Angela webpage Ask for Angela - Wiltshire Council. • Queens's Platinum Jubilee Celebrations The Chairman drew attention to a briefing note attached to the agenda which outlined that Wiltshire Council has a system in place to ensure that communities wishing to celebrate the Queen's Platinum Jubilee are signposted to the council's web page (Platinum Jubilee celebrations - useful information and guidance - Wiltshire Council) where they will find the appropriate tools, support and guidance to apply to hold a street party. • Reminder of Changes to the Highway Code from 29 January 2022 The Chairman referred to the report attached to the agenda which outlined

	<p>changes to the Highway Code, which had taken place. Such changes included:</p> <ul style="list-style-type: none"> • The introduction of a hierarchy of responsibility of road users. • Priority for pedestrians at junctions • Priority for cyclists, riders and horse-drawn vehicles at junctions. • Clarification on road positioning for cyclists • More information on safely overtaking motorcyclists, cyclists, horse-riders and horse-drawn vehicles and filtering by cyclists. • Adopting what is known as the ‘Dutch Reach’ technique when opening the doors of a parked vehicle. <p>• Changes to residual waste collection days from 28 February 2022</p> <p>The Chairman noted that from 28 February the household waste collection days for nearly all Wiltshire properties will change, however it was stated that there is no change to recycling or garden waste collections, which will still take place on their usual day for all residents. From 31 January and for the following two weeks, all households will receive a letter that explains the changes and details their new collection day. Further information about waste collections www.wiltshire.gov.uk/waste</p> <p>• Local Successes</p> <p>The Chairman drew attention to the following local successes:</p> <ul style="list-style-type: none"> • The White Horse News Town Awards took place in January, with Westbury’s Person of the Year award given posthumously to Mike Parker, the former Chairman of Westbury & District Link Scheme, who sadly died last August. The Westbury Group of the Year was awarded to all of those involved in the Covid vaccination efforts in Westbury at White Horse Health Centre and Shaunak’s Pharmacy. • Matravers School are performing “Bugsy Malone” this year and it is performance week this week. The Area Board wished them all the best for their performances. • The Westbury Health and Wellbeing Group’s digital inclusion sessions, which were paused due to covid have now restarted, and older and vulnerable people are learning how to use IT and be less digitally isolated. • Congratulations were offered to Rebekah Slarke and Connor-Jay Elmes from Matravers School, who will be representing the school following the Wiltshire Youth Council Elections.
6.	<p><u>Partner and Community Updates</u></p> <p>Updates were received from the following partners:</p> <p>• Wiltshire Police</p> <p>The Area Board received a verbal update from Inspector Al Lumley. An overview was provided of the performance over the last 12 months to November 2021, which included the following points:</p> <ul style="list-style-type: none"> • Comparative data was provided which saw Westbury very aligned with the rest of the force, suggesting that there is not one specific issue

affecting Westbury.

- An overview of Hate Crime was provided, including a breakdown of the 5 specific types of Hate Crime. The statistics for Westbury were in line with the rest of the force, however one particular area that stood out was Sexual Orientation prejudice which had seen a significant increase. Inspector Lumley noted that this was predominantly involving repeat victims and offenders, therefore meaning that it was not a wider issue of the community culture. Work is being conducted with individuals to curve this spike.

An overview of the local priorities for Westbury was provided, which included the following areas:

- Op Elf – This was an operation that took place in the build up to Christmas in order to provide a visible presence around the town's shops to dissuade potential thieves and reassure the public.
- Shoplifting Offences – It was noted that shoplifting offences in Westbury are at the lowest rate for the long time, with crimes remaining below average rates for the previous 8 consecutive months. There was however a spike in shoplifting in February/March last year, so teams will continue to work to prevent.
- Rural Crime – It was noted that hare coursing and poaching offences increase at this time every year and though there was an increase in Westbury in line with the season, there was a 37% reduction in rural crime when compared to last year. The importance of reporting to gain intelligence was stressed.
- Youth ASB – There has been an increase in anti-social behaviour in Westbury recently, with groups from Warminster and Trowbridge joining local groups and causing issues. There is a need for parents and guardians to be inquisitive about there their children have been as it's not too late to stop those on the periphery from being dragged into more serious crime.
- Cannabis Farm – In January a large professional Cannabis cultivation site, containing over 2,000 plants was discovered. The investigation around this continues but residents are asked to be on the lookout for similar sites.

Following the presentation there was time for the following questions and points to be raised:

- The figures for Stop and Searches were congratulated, with 72.3% resulting in no further action. It was questioned what lessons had been learnt for the future? Inspector Lumley stated that noticed patterns are fed back into annual refresher training and that the searches only take place if the police have suspicion to stop someone.
- An observation was made that in the past 3-4 months in the town centre there has been a significant increase in new young people causing nuisance, attempting to purchase alcohol and riding scooters inappropriately. There is a group of 20 people, who can be loud and intimidating. A plea was made to the police to put resources into resolving

	<p>this issue before it increases in the better weather.</p> <ul style="list-style-type: none"> • An observation was made that in the Oldfield Park area there has been a spike in cars being damaged by petty vandalism and scratching. • Praise was given to Horsewatch for helping the rural community. <ul style="list-style-type: none"> • BaNES, Swindon & Wiltshire Clinical Commissioning Group (BSW CCG) <p>The Area Board noted a written update attached to the agenda as well as a Vaccination Stakeholder Briefing.</p> <ul style="list-style-type: none"> • Healthwatch Wiltshire <p>The Area Board noted a written update attached to the agenda.</p> <ul style="list-style-type: none"> • POPCAN (Penleigh Park Group) <p>The Area Board received an update from Sheila Kimmins on behalf of POPCAN. The update covered the following matters:</p> <ul style="list-style-type: none"> • This week POPCAN met for the first time this year and planned several events to take place in the summer; including 3 skateboarding events as well as dodgeball. • Residents of Oldfield Road, Phoenix Rise and the Penleigh area have been planning a street party to celebrate the Queen’s Platinum Jubilee. <ul style="list-style-type: none"> • Town and Parish Councils <p>John Pollard provided an update on behalf of Edington Parish Council. The update covered the following matters:</p> <ul style="list-style-type: none"> • Edington Parish Council is trying to come out of the pandemic by planning a variety of events in the village, with more activities involving a wellbeing angle. • Work is being done to improve traffic through the village with a 20mph speed limit recently approved.
7.	<p><u>Contextual Safeguarding</u></p> <p>The Area Board received a presentation from Lisa Colombi, Contextual Safeguarding Coordinator for Wiltshire Council. The presentation covered the following points:</p> <ul style="list-style-type: none"> • An overview and definition of Contextual Safeguarding was provided, with it being an approach to understanding and responding to the risks faced by children and young people beyond their families. • Six types of Extra-familial harm were presented to the Area Board: 1) Sexual Exploitation, 2) Criminal Exploitation, 3) Serious Youth Violence, 4) Bullying and Social Isolation, 5) Radicalisation, 6) Teenage Relationship Abuse. It was noted that each of these issues aren’t happening within home environments and that these forms of harm are highly contextual as children spend time within a peer bubble rather than solely with their family. • Attention was drawn to Child Protection systems that have been designed to respond to risks within families and homes, primarily to keep children

	<p>under 12 safe.</p> <ul style="list-style-type: none"> • The importance of safeguarding being “everybody’s responsibility” was stressed, with information being fed into children’s social care by referrals. If everyone takes responsibility, spaces can potentially be made safer for young people. • The Contextual Safeguarding Framework is in place to offer some resolution to challenges faced over four domains that allow for partnership-based work as well as the assessment of how services in Wiltshire are doing. • Examples were provided of the developments that have taken place in Wiltshire, including a new child protection pilot targeting risk outside of the home. With Wiltshire being the first local authority in the country to trial. • Further information can be found via the following website: https://www.contextualsafeguarding.org.uk/ <p>Following the presentation there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> • It was questioned to what extent does learned behaviour impact on safeguarding, for example the replication of childhood experiences later in adult life. Lisa stated that often such issues are seen and the assessments made take this into account and show awareness with response. A lot of information in this area is still being tested and embedded. • An example of poor siloed working was drawn upon, to which Lisa noted that hopefully this has been moved on from now with the Council having adopted a joint safeguarding approach. • Lisa Colombi was thanked for her attendance and for making the presentation to the Area Board.
8.	<p><u>Police and Crime Commissioner for Wiltshire and Swindon</u></p> <p>The Area Board received a presentation from Philip Wilkinson, Police and Crime Commissioner for Wiltshire and Swindon. The presentation covered the following points:</p> <ul style="list-style-type: none"> • The Police and Crime Commissioner informed the Area Board that the Police and Crime Plan for 2022-2025 had been created by taking guidance from his own resources and the Home Officer, as well as by conducting a community survey to understand what residents wanted. • Examples of the community survey were shared, with just under 3,000 residents having responded. A key finding was that 47% of people felt a little or much less safe than they did 2 years ago. • The OPCC commissioned the “Leaders Unlocked” programme to establish a network of young commissioners to engage with other young people to discuss policing, safety and crime. More than 1,100 young people responded with their priorities and concerns. • The draft Police and Crime Plan 2022-2025 was outlined with the following priorities:

	<ul style="list-style-type: none"> ○ Priority 1: A police service that meets the needs of its communities ○ Priority 2: Reduce Violence and Serious Harm ○ Priority 3: Tackle crimes that matter to local communities ○ Priority 4: Improve the experience of victims and help deliver a more effective justice system. <ul style="list-style-type: none"> ● The PCC updated that three new speeding cameras have been purchased that can produce up to 20 tickets an hour. Additionally, a night vision drone has been purchased for the rural crime team in order to better coordinate responses to major incidents. Additionally, there has been an uplift of 62 officers, which will be distributed across the force. ● The PCC stressed that those in attendance should encourage residents to provide information to Crimestoppers in order to allow the police to compile information around county lines. Intense action and operations are planned in the near future. <p>Following the presentation there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> ● It was brought to the PCC's attention that locally there are Community Speedwatch stations unmanned due to intimidation. It was also clarified that collected data would be appreciated by the police as this would allow for the identification of repeat offenders and hotspots. Additionally, the road safety team has been increased to 5 teams of 4 cars in order to allow for better coverage. ● Councillor Matt Dean implored the PCC to have a focus on people and policing rather than the buildings required. Councillor Dean also noted that a potential way of making budget savings for the PCC could be through licensing as currently there is duplication within this area between Wiltshire Police and the Council. ● Regarding the current situation regarding a custody suite, the PCC updated that two options are currently being explored, including the full police takeover of Bourne Hill or a site on the Churchfield estate in Salisbury. ● It was clarified by the PCC that to have a custody suite would require taking up to 24 police officers off of the street. Therefore anyone arrested would be taken to the closest custody suite to where there were arrested. ● The PCC noted that once new legislation goes through, the police will be able to take a much stronger stance on rural crime. The PCC also noted the success of a recent rural crime resolution in Avebury.
9.	<p><u>Westbury Health and Wellbeing Group</u></p> <p>Graeme Morrison, Community Engagement Manager and Councillor Gordon King provided an update on the Westbury Health and Wellbeing Group. The update noted that the Health and Wellbeing Group haven't met since the last Area Board meeting. However, they are likely to meet over the coming weeks as there is set to be Health and Wellbeing funding left over, which is likely to be taken to a special Area Board. Reference was also drawn to the restart of the Digital Inclusion Project.</p>

10.	<p><u>Community Area Transport Group (CATG)</u></p> <p>Councillor Suzanne Wickham introduced the minutes and recommendations from the CATG meeting held on 14 January 2022.</p> <p>Resolved:</p> <p>The minutes of the Community Area Transport Group meeting held on 14 January 2022 were agreed as a correct record.</p>
11.	<p><u>Area Board Funding</u></p> <p>The Area Board considered the following applications for funding:</p> <p><u>Area Board Initiatives</u></p> <p>1. Westbury Area Board - £1,870 towards Bitham Brook Phase 2</p> <p>Resolved:</p> <p>Westbury Area Board awarded £1,870 towards Bitham Brook Phase 2.</p> <p>2. Take part in the Great British Spring Clean this March and April in Wiltshire

Wiltshire Council is encouraging local groups and organisations to take part in the Great British Spring Clean this year, from 25 March-10 April.

Groups across the county are urged to sign up on the Great British Spring Clean website and join in to help clean up the county from unsightly litter. Though please note that litter picks in the Salisbury area are not encouraged - here, the advice from the UK Health Security Agency (UKHSA) remains 'if you didn't drop it, then don't pick it up'.

Litter picking equipment has been provided by Wiltshire Council to town and parish councils and local community groups across the county, so people should contact their local town or parish council see if they have any equipment to borrow and if they are hosting a clean-up event to support.

Where possible, volunteers should dispose of bagged waste in their usual household black bins or a public litter bin that has sufficient capacity.

For large events that could collect more than 10 bags black bags full of waste, the council can arrange single collection following the event. To arrange this, people should email streetscene@wiltshire.gov.uk a minimum of 10 days before the event with as much information about the event as possible and contact details of the event organiser. Any large items or suspected fly-tips should be left where they are and reported to the council on the MyWilts app.

Cllr Dr Mark McClelland, Cabinet Member for Transport and Waste, said: The Great British Spring Clean is a fantastic opportunity for our communities to get involved in making a difference in their area.

We have provided more than 1,500 litter pickers and 1,500 pairs of gloves to local town and parish councils, so people should go there to borrow the equipment for their event. They can also sign up on the Great British Spring Clean website, so others can join in on the picks in their community.

It would also be great if people shared photos of their events on social media using the hashtag #GBSCWilts - and we'll share the best.

We'd ask that groups in the Salisbury area adhere to the latest UKSHA advice and not take part in litter picks; but people can get involved in every other area of the county to help keep Wiltshire clean.

I hope that community groups from around the county can take part and help to keep Wiltshire beautiful.

For the Salisbury area, a UKHSA spokesperson said: As a precaution, UKHSA continues to advise the public not to pick up any items. The advice remains 'if you didn't drop it, then don't pick it up'.

People can register their event on the Great British Spring Clean website at www.keepbritaintidy.org or find out more at www.wiltshire.gov.uk/community-environment-great-british-spring-clean

Report To	Westbury Area Board
Date of Meeting	Wednesday, 30 March 2022
Title of Report	Westbury Area Grant Report

Purpose of the Report

- To provide detail of the grant applications made to the Westbury Area Board. These could include; community area grants, health and wellbeing, young persons grants and Area Board initiatives.
- To document any recommendations provided through sub groups.

Area Board Current Financial Position

	Community Area Grants	Young People	Health and Wellbeing
Opening Balance For 2021/22	£ 31,433	£ 12,892	£ 7,700
Awarded To Date	£ 28,193.10	£ 10,325	£ 1,620
Current Balance	£ 3,239.90	£ 2,567	£ 6,080
Balance if all grants are agreed based on recommendations	£ -260.10	£ 807	£ 3,080

Grant Funding Application Summary

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
ABG552	Community Area Grant	Westbury Town Council	Mayors Jubilee Street Party	£8000.00	£3000.00
Project Summary: The project is to provide a free of charge street party, in Westbury High Street, for 240 local children under the age of twelve years old. The party will include afternoon tea type food and drink, appropriate entertainment, music and interactive "village fete" type games					
ABG579	Community Area Grant	Crosspoint Westbury	Counselling for adults and young people	£10900.00	£3000.00
Project Summary: Crosspoint has provided counselling for both adults and young people for the last 8 years. This is aimed at local people who do not meet the criteria for statutory mental health services, but who nonetheless may be suffering depression, anxiety, domestic abuse, historical abuse, low self-esteem or difficult in dealing with Life's challenges. The majority of these clients are referred by the White Horse Health Centre, or through self-referral. A few of the younger people have been referred by Matravers School. Since 1 January a new process has been instigated to adopt a more consistent approach in attracting donations from clients according to means, to make the service more sustainable in light of the rising demand. Nevertheless the majority of clients are not in a position to contribute significantly towards the full cost of the service, hence the reason that grant funding is sought.					

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
ABG581	Community Area Grant	Westbury Lions	Westbury Lions and Leos Tree planting for Platinum Jubilee Celebrations	£2669.00	£500.00
<p>Project Summary: The Westbury Leos Club in conjunction with Westbury Lions, wish to plant 700 assorted trees at a site bordering the lower Bratton Road, Westbury. This will take place in the Autumn of 2022 and will be organised similar to the previous work carried out at the Quakers Graveyard in Westbury.</p>					
ABG582	Community Area Grant	Westbury Youth Club	Westbury youth club grassacres MUGGA young peoples graffiti project	£760.00	£760.00
<p>Project Summary: Westbury youth club members asked if it was possible to get a graffiti artist to come in and work with them. We found a professional artist Tom Miller. The committee and Tom agreed that it would be better to graffiti a project that could be displayed so upon asking Westbury town council they have agreed for us to respray and graffiti the MUGGA in grassacres park. We would like to run a graffiti day 10-4 on Saturday 4th June where the young people of Westbury they don't have to be club members can come along and put their artist skills to the test and brighten up Westbury while learning new skills from a professional graffiti artist. Tom put together a new design map this out a hour before the event so the young people have a space and design to use. Myself some of the youth club team including members will give our time the day before to cover the existing worn and defaced graffiti to ensure the space is ready to be resprayed.</p>					
ABG593	Youth Grant	Popcan	Popcan pop up family funday	£2520.00	£1000.00
<p>Project Summary: Popcan are looking to put on a family funday for local community and it's residents reaching large numbers of residents in Westbury this will encourage engagement within their local community. It will also be an opportunity for local residents to meet new people and like minded groups. Our previous events pre Covid reached a large number of local residents including a wide range of ages and families, including young people. With isolation affecting so many people over the last couple of years we hope this will encourage residents to leave home and participate with the local community.</p>					

1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

2. Main Considerations

2.1. Councillors need to be satisfied that the applications meet the requirements as set out in the Area Board Funding and Grants Criteria and that the health and wellbeing and young persons funding guidelines have been adhered to.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.

3. Environmental & Community Implications

Grant funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Councillors must ensure that the Area Board has sufficient funding available to cover the grants awarded.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

No unpublished documents have been relied upon in the preparation of this report.
