3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;
 - 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.

- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.

4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.

4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:

- A refuse to permit them to return;
- B permit them to return only on such conditions as the Committee may specify;
- C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.

4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.

4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.

4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.

4.5 This equal maximum time may have been notified in advance of the Hearing;

4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

5 Presentation of Submissions

5.1 The Chairperson will introduce the Application.

5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.

5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:

- 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
- A the options available to it;
 - B the considerations that are relevant in reaching its decision.
- 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
- A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
 - B confirming key information and answer pertinent questions; and
 - C calling witnesses in support of the Application (see paragraph 4.3).
- 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
- A the grounds of the representation to the Application; and
 - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
 - 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
 - 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and brief reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.
- 11.3 Written reasons shall be provided soon after the deliberations of the Application and in any event within the statutory time limits.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hello Emma,

I am writing to raise my objections to the licence application WK/2023324648, specifically the extension of licensing hours under section 15 of 21 of the application, selling and supplying alcohol over a 24 hour period.

The filling station attracts a wide range of visitors for a number of different services and is very useful and handy for those passing through and local residents alike. The store is already permitted to sell alcohol until 11 PM and I cannot see any good reason why this should be extended into what are largely considered to be the 'silent hours'.

The store is located in a largely residential area and is in close proximity to pubs, takeaways and restaurants all of which are closed by 11 PM. This time is generally accepted as the time when licensed hours cease and there can be no good reason to make a service station on the outskirts of the town centre and in a residential area a focus for those who wish to continue consuming alcohol. The store does not provide an area to drink the alcohol so it can only be assumed that it will be carried out into the local area. Some of the areas surrounding the store are, I believe, designated as areas where alcohol can not be consumed.

The store has a car wash area to the rear and is then straight onto a private unlit lane. Being a resident of this lane there are already occasions when small groups gather in the evening by the wall at the bottom end of the lane that leads onto the yellow hatched area on the station's forecourt. There is often debris and litter left in this area which we, the local residents, are left to clean up. An extension of licensed hours will undoubtedly lead to an increase in such activity with more noise late at night and more littering.

in short, I consider that there is absolutely no good reason to extend the licensed hours of this store and any extension can only lead to unnecessary antisocial activity and unwelcome disturbance to local residents in this residential area.

Thank you.

Dear Emma,

Thank you for your reply to my email.

I am 86 years old and have ME so I would not be able to "address the committee" which means I can not make my objections.

I have lived next to the garage for 17 years and the only problems so far have been litter and youths throwing stones which broke my window.

Prevention of public nuisance

This could include drunkenness and litter of bottles and cans.

Public safety

This is a very narrow lane and most of the properties are straight onto the lane, no front gardens or pavement. People drinking or driving in the lane after dark, there are no street lights, could cause an accident.

Prevention of crime and disorder.

Damage to property, I have already had a window broken and these youths had not been drinking.

I realise as I am not able to address the committee my views don't count but they may back up what other people say.

Regards

Dear [REDACTED]

We have received your representation against the Premises Licence application for Asda Express, East Street Service Station Supermarket, 80 East Street, Warminster, Wiltshire, BA12 9BQ. Unfortunately, there isn't enough information to accept this as a valid representation. Are you able to expand and provide further details relating your concerns under the four licensing objectives specifically connecting to the premises. In order for us to accept your letter as a valid representation we would require further evidence from yourself.

To be considered a valid objection, a representation must relate to one or more of the licensing objectives:-

- Prevention of public nuisance
- Prevention of children from harm
- Public safety
- Prevention of crime and disorder

Under the Licensing Act 2003, if one or more valid representations are received against the licensing application, the licensing authority must hold a hearing where the application will be heard before the licensing sub-committee, and where you will be expected to attend to address the committee with your concerns.

Please note that any objections received are passed on to the applicant who may wish to contact you directly to discuss your concerns.

Please be aware that if you do not wish to proceed with the representation; there is a Review process, whereby any person can call the premises in to review should there be reason and evidence to suggest that they are not meeting the licensing objectives.

Kind regards
Emma

Dear Emma Hyde.

I understand that Asda Express in the Esso Garage at 80 East Street have applied for a 24/7 premises licence. I live in a lane behind the garage and think that it would be inappropriate as this area surrounding the garage is mainly residential. People buying drink and drinking it in the lane would be very disturbing and could lead to damage of our property. Also it could lead to people drink driving if they buy alcohol at the same time as buying petrol.

Yours

Subject: License for Esso garage in Warminster

Dear Sir/Madam,

It has come to our attention that there is an application for a 24 hour licence to sell alcohol from Euro Garage in East Street , Warminster .I would like raise an objection against this for many reasons .The house I live in with my mother and son is only 20 meters away and ,there is a low wall between the house and the garage that people sometimes sit on ,my mother is very frail and in her 80's and my son has a statement of special needs ,he has audio processing disability and is on the autistic spectrum ,the prospect poeple sitting on the wall outside drinking and making noise overnight, will seriously affect his mental health .We have already had issues with people sitting on the wall between our property and the garage , and the prospect of this happening over night will mean us feeling threatened and intimidated in our own home if people our able to buy alcohol all night.

The local residents only became aware of this application for a 24 hour licence to sell alcohol from Euro Garages in East street , Warminster a few days ago when notification was listed at the garage. The garage is nestled in a residential area and has domestic properties on all elevations , a lot of the residents choose to live here because it is safe with a community feel.

The garage is adjacent to residential properties on all sides the nearest being 20 feet away the property of multiple occupancy is approximately 100 feet away and appears to be of some interest to the local constabulary.

My property is in an unadopted road which is accessed from the garage forecourt which is unadopted , I can seriously see this being used for naferouse activity if alcohol is available 24 hours a day.

I havед read the application and it does not appear obvious how to voice objections nor are there any attachments to manually raise objections ?

The application appears to designate land that does not belong to Euro garages as “staff area” which is actually access to a unadopted access to both mine and other properties classified as East Street.

Please respond to this communication as soon as possible

Hi Emma

Thank for your email of the 21st, I am happy to confirm my personal details, see below

You ask what I mean by nefarious, the unadopted road on which I live leads out to the garage forecourt, the road is unlit and the wall on the boundary of the garage opposite 90 East Street is sometime used as a seating area by groups of young people, the garage is approximately 100 feet from a public housed, I am of the opinion that introducing alcohol 24 hours a day will simply encourage an increase in gatherings #and potentially drunken behaviour.

I believe that the issuing of a 24 hour a day licence to sell alcohol will have the potential to create a scenario that will be a public nuisance,

I hope this clarifies my previous comments

Regards

Hi [REDACTED]

Thank you for your letter of representation for the above premises.

I visited the premise on 31st October to check that the blue notices were up, since then I have driven past serval times and the blue notices have always been in situ?

To be considered a valid objection, a representation must relate to one or more of the licensing objectives:-

- Prevention of public nuisance

- Prevention of children from harm
- Public safety
- Prevention of crime and disorder

You have raised concerns within your representation around nuisance activity that could take place, which would fall under the prevention of public nuisance, however, could I ask for you to elaborate on this, providing more evidence as to how this would have a negative impact on the licensing objectives. We also require your address in order to accept as a valid representation.

Once received I will forward your objection to the applicants for their consideration, they may wish to contact you directly.

Under the Licensing Act 2003, if one or more valid representations are received against the licensing application, the licensing authority must hold a hearing where the application will be heard before the licensing sub-committee, and where you will be expected to attend to address the committee with your concerns. The representations and your details will be held in the public domain. Further information on the hearing will be sent to you at a later date.

Kind regards
Emma

Good evening Fiona / Emma

Thank you for your email below, the local residents only became aware of the application for a 24 hour licence to sell alcohol from Euro Garages in East street , Warminster a few days ago when notification was listed at the garage, my call today was to raise concerns at such an application as the garage is nestled in a residential area and has domestic properties on all elevations.

The garage is adjacent to residential properties on all sides the nearest being 20 feet away the property of multiple occupancy is approximately 100 feet away and appears to be of some interest to the local constabulary.

My property is in an unadopted road which is accessed from the garage forecourt which is unadopted , I can seriously see this being used for nuisance activity if alcohol is available 24 hours a day.

Please acknowledge this communication
