Resolved:

That the Cabinet (Capital Assets) Committee:

57 **Devizes Browfort Options**

Councillor Toby Sturgis, Cabinet Member for Waste, Property, Environment and Development Control Services, introduced the report which presented all the potential options for the disposal of the Browfort site and asked Members to select their preferred option.

Councillor Sturgis noted that the proposed approach was to market the site on present use for six months. If no significant interest or deliverable schemes were forthcoming, then further consultation would be undertaken with the Area Board and the Town Council. This was to ensure compliance with the Council's Core Strategy, and to ensure the best return was achieved for the asset whilst balancing against the need to ensure a sustainable development which would benefit the community.

Resolved:

- 1. That officers undertake consultation with the Area Board and the Town Council based on this Committee's preferred option(s). That officers commence early marketing of the site for employment use.**
- 2. Six months after marketing commences, if no significant and deliverable interest has been demonstrated, Dr Brand, in conjunction with Cllr Stuart Wheeler, to determine and proceed with implementation of one of the options preferred by this Committee, giving due consideration to the views of the Area Board and the Town Council.**
