<p>Petitions on fracking:</p> <p>Gordon Chandler</p> <p>Petition the Council to apply pressure on organizations to stop all fracking operations planned to take place in Wiltshire.</p>	29.08.15	46	<p>This petition was not reported to Council in September 2015 due to an insufficient number of signatures. The Cabinet member for Strategic Planning, Development Management, Strategic Housing, Property and Waste responded advising that the petition would be considered as part of the Council's response to the Oil and Gas Authority consultation. Since the last meeting of Council the signatures on this petition have increased.</p>
<p>Hydraulic Fracturing- Concern over PEDL licenses approved in the four license blocks identified in Wiltshire.</p>	13.01.16	10	<p>This petition was received without contact details for a response and is to be considered alongside other petitions and further letters addressed to Economy and Planning on this subject.</p>
<p>Iona Hassan</p> <p>Call for an urgent moratorium on fracking in Wiltshire.</p>	09.02.16	87,514 (of which approximately 1,500 are Wiltshire residents - unverified).	<p>This petition is to be presented to Council on 23.02.16, oil and gas drilling and hydraulic fracturing are also to be the subject of a motion at this meeting of Council.</p>

<p>Rebecca Leitch</p> <p>Keep two of the Trowbridge Children Centres open -Petition against proposals to close Bellefield and Longfield childrens centres</p>	17/11/15	688	<p>This petition was considered as part of the consultation on changes to children's centre provision and was reported to Cabinet in December 2015. A response was sent to the petitioner advising that it had been decided to keep 2 children's centres in Trowbridge-Studley Green and Longfield.</p>
<p>Mr and Mrs Blanchard</p> <p>The residents of Devizes are petitioning against the 3 hour maximum stay in the town centre car parks. We would like all day parking to be an option in all car parks.</p>	30/11/15	1,672	<p>The petitioners were invited to Devizes Area Board in January 2016 to discuss this issue and received a response from the Cabinet Member for Highways and Transport. It was considered that the current management of car parks in Devizes served the needs of the town as the results of the parking survey conducted by the Council in 2014 indicated that 72% of respondents either agreed or strongly agreed that the Council should prioritise short stay parking near the town centre and locate long stay parking on the fringes of the town.</p>

Note: This does not include petitions received in respect of regulatory matters ie planning and licensing which are dealt with under different procedures.
