Project Description: St Johns is a resource for the whole community. Our efforts to encourage greater use are happily resulting in more groups using the building. Because of excellent acoustics local choirs hold rehearsals and concerts here four choirs have recently performed in the church. At concerts and other events attendance exceeds chairs available. In addition users of the church room struggle to move the heavy chairs from the main body of the church. To allow greater use of by the community we wish to purchase 50 lightweight stackable chairs and two trolleys for storage and stacking purposes.			
Input from Community Engagement Manager: This application meets the grants criteria.
