## 1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

## 2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2017/2018 year

is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

### **3. Environmental & Community Implications**

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

### **4. Financial Implications**

Financial provision had been made to cover this expenditure.

### **5. Legal Implications**

There are no specific legal implications related to this report.

### **6. Human Resources Implications**

There are no specific human resources implications related to this report.

### **7. Equality and Inclusion Implications**

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

### **8. Safeguarding Implications**

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

<b>Application ID</b>	<b>Applicant</b>	<b>Project Proposal</b>	<b>Requested</b>
<a href="#">2286</a>	Milton Lilbourne Bells Restoration Project	Milton Lilbourne Bells Restoration Project	£5000.00
<b>Project Description:</b> Despite regular maintenance wear and tear have taken their toll on our bells and bell-frame. We must refurbish the bells to prevent them cracking and replace the bell-frame to keep the bells of St Peters ringing tunefully and safely for future generations. Bells have rung out over Milton Lilbourne since 1789 celebrating village occasions and commemorative events and they will fall silent if this restoration is not carried out. The bells are important to our community because they preserve ancient skills and traditions provide a ceremonial soundtrack to village life in Milton and provide a valuable legacy across generations.

<a href="#">2309</a>	Wilcot Village Hall	Wilcot Village Hall Reinstatement	£4861.00

**Project Description:**  
Original lath and plaster ceilings in Wilcot village hall have collapsed so we need to repair those as well as update old heating and lighting and repair dilapidated windows. This will reinstate the hall for use by the community as a meeting place for local groups and a venue for village events. This includes pre-school children sporting clubs using the cricket pitch and green arts and crafts groups, children's parties exercise groups committees and social events for older and more isolated people. If the hall is not restored it will deteriorate and probably have to be sold for private residence.

<a href="#">2391</a>	Shalbourne Recreation Society	Shalbourne Sports Pavilion fitting out kitchen and changing rooms	£5578.00

**Project Description:**  
Shalbourne's Sports Ground is at the centre of sporting and community life. It is home to successful cricket and football teams and tennis petanque and croquet clubs. It also hosts several large non-sporting events. Because catering changing and other facilities did not reflect the Sports Grounds popularity and restricted its year-round use we raised 240000 to build a new Pavilion which officially opens on April 29. We are seeking to raise funds to fit out our new Pavilion especially with regard to changing room and kitchen equipment.
