2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

2551	Ethandun Tapestry Project Group	Ethandun Tapestry Project	£250.00
<p>Project Description: This was to be a little project to make a wall hanging to celebrate rural life for our village. It has proved so popular an idea that we have been approached by local schools and village groups and we now expect to have at least 6 to 8 panels over a metre each in length to create the Ethandun Tapestry spanning the Battle of Ethandun to the present day all along the B3908 corridor. It will encompass embroidery collage knitting and dyeing and we have interest from toddlers up to a 96-year-old who came to our information workshop. We are supporting new villagers someone recently bereaved and some isolated people. Even where people cannot now become involved in creating the Tapestry their memories help us and their input will be recorded in our recycled leather bound journal. Other funding applications for small amounts will be sought and we also intend to fund raise ourselves for the balance.</p> <p>Input from Community Engagement Manager: (CEM put your input here)</p>
