Force Leadership News:

Wiltshire Police has announced Chief Constable Mike Veale will be stepping down in his role and has accepted the Chief Constable position for Cleveland Police; his last day will be 4th March 2018. Mr Veale has said "It has been a very difficult decision to make, after serving here in Wiltshire for 13 years and the wider West Country for almost 34 years. However, I feel it is the right time for a new challenge and it is for that reason that I plan to make this move. I would like to publicly thank my officers and staff for their unwavering support for me during my tenure as Wiltshire Police chief constable."

Kier Pritchard will become Temporary Chief Constable. His appointment will be for a period of 12 months. Kier is an experienced senior police officer and will provide stability innovation and build upon excellent foundations. Wiltshire Police is an outstanding force with many strengths and we feel sure that we have the strong leadership in place to continue and maintain our excellent reputation. Kier will take up post of Temporary Chief Constable on Monday 5 March 2018.

Paul Mills, who is also currently an Assistant Chief Constable has been appointed as Temporary Deputy Chief Constable. Mr Pritchard said: "I'm delighted to be able to announce that Paul Mills will become Temporary Deputy Chief Constable as of 5 March. Paul is a highly regarded colleague who I have worked alongside as a Chief Officer in our Force since 2014." "The appointment of a Deputy provides additional stability to the Senior Leadership Team in the force and will allow us to continue to work closely with the Police and Crime Commissioner in meeting the priorities he has set for the Force within his Police and Crime Plan. Central to this is our Community Policing Team approach which I believe is the core of what British Policing represents."

Mr Mills added: "I am delighted to step up to the role of Temporary Deputy Chief Constable. I am pleased to be able to support T/Chief Constable Kier Pritchard as he steps up to undertake his new role and look forward to working with him to provide consistency of leadership and direction to the Force moving forward. "Having transferred to Wiltshire 11 years ago, I have developed a strong affinity with the county and look forward to continuing to develop positive working relationships with our dedicated staff and partners who all help to make the county one of the safest places to live and work in the UK."

Safer Schools Internet Day:

Wiltshire Police is focusing on supporting young people in our community throughout the month of February. Devizes, Pewsey and Marlborough PCSO's have been working together to promote Safer schools week - particularly with Internet safety day on 6th February. There are 34 primary schools across this sector and already 13 have received talks from our officers! The rest of these schools will be receiving internet safety talks over the month.

The Force is looking at ways to better engage with children and young people in the county, as well as help provide educational support by posting vital information about crimes and subjects which most affect young people including how to stay safe online.

Throughout the year, Wiltshire Police runs a number of events aimed at young people including the Junior Good Citizen scheme, as well as supporting the Police Cadets.

The Wiltshire Youth Summit took place at Devizes School on February 8, and our Youth Engagement Team were joined at the event by Assistant Chief Constable Kier Pritchard and Inspector Paul Hawkins to talk to young attendees from the county. The Force is hosting the event in conjunction with the local authority, Clinical Commissioning Group, NHS and other service providers and partners.

CPT Boundary Change

The boundaries of the Wiltshire East and Wiltshire South Community Policing Teams are being amended to improve the way local policing teams are managed.

The changes are being brought into place from 2 April 2018 and will see Amesbury and Tidworth move from Wiltshire East CPT to Wiltshire South CPT. Devizes, Pewsey and Marlborough will remain as Wiltshire East CPT.

Supt Chris Chammings, Wiltshire Police's Hub Commander for County, said: "This is a very simple change which we hope will make a big difference for the public, our officers and staff.

"We continually review how our CPT areas are policed and following feedback from staff we have decided to align Amesbury more closely to Salisbury."

"From a geographical and resourcing perspective we believe Amesbury and Salisbury would work better together."

He added: "As far as the public are concerned they shouldn't notice a difference in their day-to-day policing. Our officers and staff who are currently based in Amesbury will remain there, but their line management will now fall under Inspector Pete Sparrow in Wiltshire South.

"We hope to see improved resilience across Salisbury and Amesbury as officers are deployed consistently under one Inspector. Our previous model relied on Amesbury providing resilience to Devizes and vice-versa. This distance between Amesbury and Devizes hindered this; an issue we hope not see going forward."

Supt Chammings added that the boundary change would also allow the new, smaller Wiltshire East CPT to focus more closely on the community engagement demand in the areas of Devizes, Marlborough and Pewsey.

CPT Priorities

Theft from Work Vans

This priority was due to close, however due to recent crimes it will remain open. There has been a spate of FORD TRANSIT VAN BREAKS, often with no sign of forced entry.

It's thought that the break-ins have been carried out using a lock-picking device which is capable of bypassing the lock system without causing any damage to the vehicle. There's no restriction on the sale of locksmith equipment in the UK, meaning such devices are available on the open marketplace.

It's worth pointing out that Transit vans are not the only commercial vehicle at risk. No van is 100% secure when faced with a suitable lock pick device, however the sheer volume of Transits out on the road means the number of reported break-ins will consequently be higher.

What can I do to protect my van?

All van owners are advised to fit an alarm and boost security by installing additional Slamlocks or deadlocks independently of the manufacturers. It is also a good idea to consider insuring

your work tools. This is important because most standard van insurance policies do not cover loss of tools left in a van overnight. In fact, some policies state that you can't store tools in your van unless it meets certain security requirements. Don't get caught out, and check.

Anyone that owns a Ford Transit Van built between 28 March 2012 and 1st July 2017 can have an update applied to their vehicle.

Will it cost me anything to have the software update done?

Not at all, this is a Ford-initiated recall and update, so the modification should be applied for free by your local dealership.

2. Target Patrols Pewsey and surrounding areas:

Beauty Spot Theft from Motor Vehicles:

On the 16th January 2018 we relaunched this priority due to this area of the county still suffering a significant amount of thefts. The difference being that this time, we have identified potential suspects and are following numerous intelligence leads. Since the above date we officers have made **39** patrols of all of our beauty spot car parks; however thieves appear to be favouring:

DOWNS LANE, MANTON, MARLBOROUGH
ROUNDWAY HILL, DEVIZES
EAST/ WEST KENNETT
WIDDINGTON HILL, UPAVON
WOOTTEN RIVERS, PEWSEY
AVEBURY
A4 SILBURY HILL
ALTON BARNES
GRAND AVENUE, SAVERNAKE

You will be pleased to hear that after securing funding from the 'Area Board' Wiltshire Police have been able to erect 'Warning Signs' at the majority of these

The individuals involved in poaching can also be involved in other criminal activities such as theft, burglary, intimidation and violence.

One Wiltshire Farmer who we will not name due to concerns about repercussions, told us: "They case your land and the entrances and exits. It is intimidating know you are being watched."

It doesn't take much to imagine how you'd feel if people constantly watching your back garden with the intention of entering without permission, committing crimes and causing damage you'd have to pay to rectify time and time again.

Now imagine on top of this you live in an isolated location with few other houses around and you know if you confront these people you are likely to be met with threatening and violent behaviour.

Scary thought right?

We are encouraging the public to support their local rural communities and report poaching to the police.

If you see anything suspicious call 101 or 999 if a crime is in progress quoting 'Op Artemis'.

Dangerous and Persistent offenders

Work is continuing with our SWITCH nominals, (those who are identified as persistent and prolific offenders), including intelligence gathering and relevant actions following dissemination. We currently have two nominals within the East Policing Area classified as such and we work closely with our SWITCH team members and partner agencies to manage these offenders.

Domestic Abuse

DEVIZES man David Lester has been given a suspended prison sentence after being convicted of assaulting his 59-year-old wife.

Lester, 55, formerly of Pewsey but now living in Devizes, was sentenced at Winchester Crown Court on December 22 after being found guilty by a judge of GBH.

During a row with his wife in June 2017, Lester punched her in the face, fracturing her eye socket. She ran to a different room in an attempt to get away from him but he continued to mimic her, causing her further distress.

Lester was given a 17 month prison sentence suspended for 18 months and ordered to pay a total of £2,140.

In addition to the suspended sentence, Lester must also carry out rehabilitation and 200 hours of unpaid work over the next 12 months.

PC Sam Bussey, of the Public Protection Department at Wiltshire Police, said: "Throughout court proceedings Lester denied any wrongdoing and showed no remorse for his actions whatsoever, despite his wife sustaining a fractured eye and heavy bruising to her face as a result of his actions.

"No one should have to suffer the abuse this woman endured at the hands of her partner.

"I'd like to praise her for the bravery she has shown in giving evidence in court, which meant she had to relive her ordeal once again.

"We understand how hard it can be for victims of domestic abuse to report what they are going through and ask for help. It is really important that anyone who believes they are a victim, or anyone who knows somebody who may be being abused, contacts police immediately. We can help provide the most appropriate support to those who need it, as well as take action against the offenders and put them before the courts.

"I hope that this case will encourage other victims to come forward and seek help."

Domestic abuse isn't just about violent or threatening behaviour. It can happen to anyone regardless of gender, religion, race or sexuality. It can happen in short and long term relationships. Partners, ex-partners and family members can all be involved.

Domestic abuse is everyone's business. If it's happening to you or someone you know please report it as soon as you can. We take all reports extremely seriously.

Please call us on 101 to report your concerns. If you think you or someone else you know are in immediate danger please call 999 immediately.
