

Report to	South West Wiltshire
Date of Meeting	30/05/2019
Title of Report	Community Youth Grants

1. Purpose of the report:

To ask Councillors to consider the following applications seeking funding from the South West Wiltshire Area Board.

Application	Grant Amount
Applicant: Sarum Sports Partnership Project Title: New full size third generation artificial grass pitch 3GATP in the Salisbury Community Area	£2500.00

2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2018/19 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2018/2019.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.

3. The applications

Applicant: Sarum Sports Partnership Project Title: New full size third generation artificial grass pitch 3GATP in the Salisbury Community Area	Amount Requested from Area Board: £2500.00
This application meets grant criteria 2018/19. Project Summary: This is the first step towards the provision and installation of a much needed full size third generation artificial grass pitch 3GATP in the Salisbury Area. This contribution will provide funding for the initial feasibility study at Sarum Academy to give overall project costs required by the Football Foundation FF and will be classed as part of the	

overall match contribution required by the Football Foundation. It is anticipated that the Football Foundation will contribute around 70 of the total cost providing the actual Football Foundation Grant Application fully meets the requirements of the Football Foundation which includes a Community Access Agreement. The match funding approx 30 of total cost will be gathered from other interested parties such as the Salisbury City Council Wiltshire Council local parish councils local businesses local sports clubs and local national grant funding organisations. The Sarum Sports Partnership comprises of Sarum Academy Wiltshire Council Wiltshire Football Association and Salisbury City Council.

Please tell us WHO will benefit and HOW they will benefit from your project and benefit your local community: Wiltshire FA and their affiliated football clubs in the south of the county have put the lack of facilities as a clear reason for the reduction of junior youth football in the south of the county and have clearly identified the under provision as a reason why club teams play practice out of the area. From a school and community perspective the access to a first-class facility increases the opportunities for physical activity throughout the year and provides opportunities for further skill development. The need for a Community Use Agreement will ensure community access outside of school hours and will help ensure community usage and a sufficient income stream is available for ongoing maintenance and future carpet replacement.
