[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2019/2020 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3280	CCAP	Calne Community Copse	£4480.80
Project Description: Create a WW1 community copse in Castlefields to commemorate the 400 fallen from the Calne community area.			
Input from Community Engagement Manager: This application meets the community grants scheme criteria for 2018/19. It would be a legacy for WW1 fallen soldiers from the community area. There would be an environmental benefit to the project and community benefits, as the copse will bring people together and in the longer-term be accessible to all.			
Proposal That the Area Board determines the application.			

Application ID	Applicant	Project Proposal	Requested
3239	Wiltshire and Swindon Credit Union	New signage for local Credit Union collection point	£150.00
Project Description: We have operated in Calne for many years, but our current signage is out of date and needs to be replaced. We would like to upgrade the signage at our local Collection Point in Calne Library to direct residents to our volunteers who work there. Our signage needs to show our opening hours so that it can be left in place all week. As a not-for-profit organisation, we do not have funds available to upgrade our signage and would very much appreciate some assistance.			
Input from Community Engagement Manager: This application meets the community grants scheme criteria for 2018/19. Visibility is important and new signage would help to promote the service in the town. The project would meet the Calne Community Area JSA priority 2017-2019 to address deprivation and poverty issues.			
Proposal That the Area Board determines the application.
