6. Project summary: (100 words maximum)

Loneliness and isolation are a huge problem amongst the elderly. In South Wiltshire, nearly 3,000 people aged 65 or over feel lonely or isolated.

Elderly carers are twice as likely to feel lonely as their peers. Of the estimated 1,279 unpaid carers aged 65 or over in the South Wiltshire area, more than 470 feel lonely sometimes and an additional 320 feel lonely all the time.

We'd like to reach South Wiltshire residents who may be lonely, and connect them with local organisations and groups which can offer friendship and social inclusion. We will work with other organisations such as Age UK and Alzheimer's Society to ensure respondents are also referred to appropriate sources of support.

10. About your project

Please tell us about your project (a strong application will address all of the following):

How does your project support local needs and priorities?

According to a recent Age Concern and Help the Aged survey, 7 per cent of people 65+ in England say they always or often feel lonely. Including those who say they are sometimes lonely, the figure rises to 33 per cent. (Age UK "Loneliness and Isolation Review")

In 2011, there were around 9,031 people aged 65 and over in South West Wiltshire – almost a quarter of the population. Based on the Age Concern survey, there are around 632 elderly South Wiltshire residents who feel lonely all the time, and more than 2,300 who feel lonely sometimes.

Amongst carers over 65, the statistics on loneliness are alarming. 25% of carers say they always feel lonely, and if we include carers who sometimes feel lonely, it rises to a staggering 62%.

Isolation among older carers can be caused by a number of factors:

- The need for the carer to stay with the cared-for person, leaving them both house-bound in many cases;
- The increased financial pressure which forces many to give up social and leisure activities;
- A lack of suitable transport – this is more difficult for older carers who are less able to help the cared-for person in and out of a car, or where public transport is limited;
- This isolation is compounded by the fact that older people are less likely to use the internet, which is how most local events are promoted. As a result many elderly carers are not aware of events happening locally. Lack of IT skills also makes it more difficult to stay in touch with friends and family.

We'd like to address this as follow:

- Create a poster and postcard addressing the issue of loneliness and isolation;
- Deliver postcards to every home in the South West Wiltshire area;
- Place posters in local GP surgeries, libraries, and on community notice boards, and at local markets;
- The print approach is key as it ensures we reach elderly people who do not use social media or the internet. The campaign will also be supported on social media to increase reach and frequency;
- Provide a phone answering service to signpost all elderly South Wiltshire residents (not just carers) who respond to the postcard, to local activities and groups. Carers will be supported by CSW;
- Introduce a new regular activity group for carers and those they care for, including covering the cost of transport for those who need it;
- Signpost to other organisations already running groups in South Wiltshire.

We are currently trialling this approach in the Melksham, Corsham and Trowbridge community areas. Whilst it is still too early to gauge success, we have already had a number of calls to the service and successfully introduced lonely and isolated older people to local groups.

We are confident that this approach will enable us to engage with elderly people who are lonely or isolated, whom we would otherwise struggle to reach.

How many older people/carers do you expect to benefit from your project?

50 elderly South Wiltshire area residents who are not currently in contact with local charities and community groups.

With a comprehensive mailing to every home in South West Wiltshire, we hope to reach the majority of lonely elderly people – including carers.

With an average response rate of 1.5% we would expect to engage with around 12* lonely carers and 38** elderly non-carers who feel lonely.

Carer Support Wiltshire will handle all enquiries generated by the campaign, offering support to carers and signposting non-carers to relevant local organisations, groups and activities.

*(1.5% of the 793 carers aged 65+ in South Wiltshire who feel lonely or isolated)

** (1.5% of the 2,558 non-carers aged 65+ in South Wiltshire who feel lonely)

How will you encourage volunteering and community involvement?

The campaign messaging will include a call to action for volunteering. Respondents interested in volunteering will be directed to the most relevant local organisations and groups based on their interests and experience.

We are currently recruiting a team of volunteers to hand out postcards on popular market days, to help us to further our chances of engaging local people and spreading awareness of the new service. Assuming this approach proves successful, we would repeat this to support a service launch in South Wiltshire.

How will you ensure your project is accessible to everyone (for example: people living with a disability or on low incomes, or vulnerable, or socially isolated etc.)?

Part of Carer support Wiltshire's commitment to this project is to provide help with paying for replacement care and assistance with transport for those carers who would otherwise be unable to attend local group activities.

By organising a new activity group for carers and the cared-for person, we can give those carers who are unable to leave the person they care for, and opportunity for both to get out of the house, enjoy some new mental stimulation, and make new friends.

Carer Support Wiltshire group events are free of charge, as are many other local groups. Our aim is to engage with as many existing free of charge groups and activities as possible.

The blanket mail approach ensures all South Wiltshire residents are reached – including elderly non-internet users.

How will you work with other community partners?

There has been consistent enthusiasm from the community groups we've contacted in Corsham, Melksham, and Trowbridge. All have welcomed the approach and opportunity to take part.

Several charities are involved (including Age UK, Alzheimer's Support, and Wiltshire Centre for Independent Living), and we have so far engaged 64 local community groups and services – all of whom have committed to contacting anyone referred to them within one week and making that person feel welcome.

We will contact all local groups and organisations which run social activities in South Wiltshire, to offer opportunities to get involved in the project. Community partners will need to provide information on their regular events and contact details in order to participate in the campaign. They will not need to commit any resources in the form of staff or funding.

11. Safeguarding

Please tell us about how you will protect and safeguard vulnerable people in your project (You must address all of the following):

- Please provide evidence of your commitment to safeguarding and promoting the welfare of older/vulnerable people and their carers.
- How do you make sure staff and volunteers understand their safeguarding responsibilities?
- Who in your organisation is ultimately responsible for safeguarding?

CSW is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults engaged in the breadth of its activities. We have a safeguarding policy which outlines the duty and responsibility of staff, volunteers and trustees working on behalf of CSW in relation to the protection of vulnerable adults from abuse.

All CSW staff undergo mandatory Safeguarding Vulnerable Adults from Abuse Training which is refreshed every three years. Managers undertake the Wiltshire Council Safeguarding Vulnerable Adults from Abuse Training for managers.

The designated Vulnerable Adult Protection Officer for CSW is the Chief Executive. The role of the designated officer is to oversee all instances involving adult protection that arise within CSW. They will respond to all vulnerable adult protection concerns and enquiries. Specialist training is provided for this member of staff.

12. Monitoring your project.

How will you know if your project has been successful? *required field

A unique phone number and email address has been set up for the campaign, to enable us to track the exact number of enquiries.

CSW will track carer respondents to measure levels of engagement with CSW services. Non-carer respondents will be tracked (anonymously) from initial contact to referral. We encourage all referral partners to document referrals received from this campaign, and all have agreed to provide feedback to us.

13. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

This is initially a one off mail out to connect with lonely and isolated elderly people in South Wiltshire. If the approach proves successful, we would plan to repeat the campaign in 24 months. With data from the first campaign to demonstrate results, we are confident we can secure local corporate funding for future campaigns.

14. If this application forms part of a larger project (eg a community navigation project), please state what this project is and approximately how much the overall project will cost?
