8 **Polling District and Polling Place Review**

The Committee received the updated information in relation to the public consultation on the polling district and polling places review. It was noted that as a result of delays to the Electoral Review this would cause delays to the start of any Community Governance Reviews, and that it would be necessary to prioritise which areas were reviewed. It was also noted that if delegation was approved by Full Council as requested, the Committee would be responsible for setting the scope and details of any forthcoming reviews, including the specific consultation arrangements in question.

Resolved:

That subject to additional delegation from Full Council, that on behalf of the Committee the Director of Legal, Electoral and Registration Services is authorised to contact all parishes to identify the number and extent of any requests for Community Governance Reviews that are desired.

10 **Date of Next Meeting**

The next formal meeting of the Committee would be 23 July 2019.

11 **Urgent Items**

The Committee discussed the updated draft recommendations from the Local Government Boundary Commission for England(LGBCE), which were subject to a limited consultation relating to areas of Warminster, South West Wiltshire, Southern and Amesbury Area Boards.

An initial meeting had been held for local members, with some content with the proposals and the others objecting. The Chairman outlined areas of potential concern including around the Bourne Valley and Deverill Valley. It was noted that there were no easy solutions to adhere to the necessary criteria, and that even the LGBCE had exceeded its usually accepted variance levels.

Further work would be undertaken to explore options for a response by the Council, including meetings with local members and contact with parishes. As a result of the limited timescale for a response, Full Council on 9 July 2019 would be requested to delegate final approval of a response to the Committee. The deadline for consultation was 29 July 2019, with a Committee meeting on 23 July 2019.
