The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

CCGs to apply to merge

As you know, we have formed a Commissioning Alliance with BaNES and Swindon CCGs, with one Chief Executive and senior management team across the three organisations, whilst retaining the three separate organisations each with their own Governing Body. The NHS Long Term Plan sets out an expectation for CCGs to officially merge, and for Wiltshire CCG this means merging with BaNES and Swindon CCGs to become one commissioning organisation before April 2021.

On 12 June 2019 the three Governing Bodies took a consensus view that there is now a strong case supporting a full CCG merger. At their recent public meetings, each Governing Body has now approved the proposal to apply to merge.

Prior to submitting the application the CCGs will engage with stakeholders, and the GP membership of each CCG will then vote on a final decision to apply for a merger.

A detailed application to merge needs to be submitted to NHS England by 30 September 2019 to have the full merger in place by April 2020.

We will continue to provide you with updates on the process in the coming months.

Primary Care Networks

Primary Care Networks came into effect on 1 July 2019 and there has been a lot of work going on behind the scenes to form the GP networks and get the appropriate structures in place.

It will take some time for the networks to become fully operational and for patients to start seeing the benefits of this collaborative provision of services.

Clinical directors have been appointed for all 11 networks in Wiltshire with some networks choosing to make this a shared role.

Our Health Our Future – engagement to support BSW five year plan

The Our Health Our Future campaign is underway – asking local people what is important to them for their health and care, now and into the future. All responses to the survey will feed into our local five year plan.

You can go to www.ourhealthourfuture.org to complete the survey and to find out more.

We would appreciate your support in encouraging your family, friends and the people in your communities to take part in the survey to help shape the future of health and care across B&NES, Swindon and Wiltshire.

The survey closes on 31 July 2019.
