3482	Shalbourne Village Hall Management Committee	Shalbourne Village Hall Updating and Improvement work - Phase 2	£2464.00

Project Description:

Shalbourne Village Hall has been at the center of the Village community since it was constructed in 1843. Built as a bible school it has gradually evolved into a home and meeting place for Village organisations and activities. These facilities must remain attractive vibrant and accessible for future generations and after consulting with the village community phased refurbishment and improvement works were planned. Local fundraising and third party grants enabled us to successfully complete Phase 1 during 2018. Having made the main Hall watertight and warm Phase 2 is to replace the existing plastic windows essential stonework repairs and improved accessibility.
