1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance

The funding criteria and application forms are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2019/2020 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications
There are no specific legal implications related to this report.

6. Human Resources Implications
There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications
Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications
The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

3482	Shalbourne Village Hall	Improvements including existing windows, stonework and access	£1000.00

Project Description:
Shalbourne Village Hall has been at the center of the Village community since it was constructed in 1843. Built as a bible school it has gradually evolved into a home and meeting place for Village organisations and activities. These facilities must remain attractive vibrant and accessible for future generations and after consulting with the village community phased refurbishment and improvement works were planned. Local fundraising and third party grants enabled us to successfully complete Phase 1 during 2018. Having made the main Hall watertight and warm Phase 2 is to replace the existing plastic windows essential stonework repairs and improved accessibility

Input from Community Engagement Manager:
The applicant submitted a grant request that was considered in November 2019. At that time, the award was being capped at £2k to allow as many applicants as possible to access the funding. It was agreed that if funding remained at the end of the financial year, a further award may be considered
