Skate Park

Bradford on Avon Town Council agreed to undertake a consultation and planning exercise for a new skatepark in Bradford on Avon and appointed Maverick Industries to undertake, the brief includes:

- Design development and consultation, including initial costings
- Liaison with interested parties, including a community group established to support and fundraise for the park
- Pre-planning and Planning permission preparation and consultation

Following a review of possible sites, The Council, at its Community and Recreation committee on the 25th February, agreed that Poulton Recreation Field would be the preferred site for the Skateboard Park.

This allows Maverick to now start the design and consultation exercises and the process of grant applications and fundraising.
