## Holt Rural Housing Needs Survey

**Opens: 9th November 2020**  
**Closes: 14th December 2020**

Holt Parish Council are asking all residents and those with a connection to the parish, to complete the housing needs questionnaire.

The information will be used: to identify **local affordable housing needs**; to appreciate local residents' current housing situation and to find out what aspirations people have.

For residents living in the parish a questionnaire will be delivered to their home or alternatively the survey is available online.

We would really like to encourage residents to complete the survey online and this can be found at <http://www.wiltshire.gov.uk/housing-local-housing-needs> under the title 'Current Housing Needs Surveys'.

Those people who do not live, but have a connection to the parish and would like to complete a questionnaire can also complete the survey online or contact the parish council for more information:
