Local Priorities & Updates

Priority	Update
Non-dwelling burglaries	Non-dwelling burglaries remain a priority especially across our rural communities and border areas with other forces. The team have continued to carry out high visibility patrols in known targeted areas and are working closely with neighbouring forces to identify and target possible offenders as well as investigating individual offences where lines of enquiry exist and offering security advice to victims.
Rural Crime	Rural crime continues to be a focus for the team with increased reports of poaching / hare coursing over the past weeks as is expected at this time of year. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime and have carried out two focused Rural Ops throughout October.
Street homeless and ASB	With the winter months coming we have historically seen the street homeless migrate to under the Maltings car park in the City Centre. This has been associated with a rise in ASB in the area and we are carrying out increased patrols in this location as well as keeping in close communication with City Centre Security and Wiltshire Council to ensure there is a shared understanding of any issues and how they can be addressed.
ASB involving catapults	We have continued to see a small amount of ASB around the use of catapults in the rural areas which has been linked with rural crime and minor criminal damage. Increased patrols in these locations are a priority and proactive Rural Crime Operations and close work with our neighbouring police forces continue as the best way to deter and catch offenders.
ASB	We are still receiving a small number of reports of ASB in the New Skate Park in Old Sarum and also the new play park at Mannock Field, Longhedge. Additional patrols are continuing and our PCSOs are engaging with the local communities and visiting schools across the Salisbury area, to educate students regarding reported ASB and the impact such behaviour may have on others within the community.

Local Priorities & Updates Continued

Priority	Update
Closure Orders & protecting vulnerable persons	We are continuing to work in partnership with Wiltshire Council to identify properties responsible for localised ASB and secure Closure Orders for these properties. As well as monitoring and enforcing existing Closure orders we have identified a small number of additional problem properties and have begun to work with the Council to gather the evidence required to progress to Closure where appropriate. Closure Orders are powerful tools that we can use to address ASB originating from an address or location and are particularly useful in dealing with ASB associated to drug use and drug dealing.
