Local Priorities & Updates

Priority	Update
Non-dwelling burglaries	Non-dwelling burglaries remain a priority especially across our rural communities and border areas with other forces. There has recently been a spate of shed breaks in the Cholderton area. The team have continued to carry out high visibility patrols in known targeted areas and are working closely with neighbouring forces to identify and target possible offenders as well as investigating individual offences where lines of enquiry exist and offering security advice to victims.
Rural Crime	Rural crime continues to be a focus for the team with increased reports of poaching / hare coursing over the past weeks as is expected at this time of year. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime and have carried out two focused Rural Ops throughout October and November and this will continue in the coming months.
ASB involving catapults	We have seen a small amount of ASB around the use of catapults in the rural areas which has been linked with rural crime and minor criminal damage. Increased patrols in these locations are a priority and proactive Rural Crime Operations and close work with our neighbouring police forces continue as the best way to deter and catch offenders. Community consultations have taken place in areas which have been targeted such as Downton.
Community Speed Watch	The team continue to support our CSW teams where and when possible and have recently been out in Wilton and Alderbury providing some support and reassurance to the CSW teams and the community.
Closure Orders & protecting vulnerable persons	We are continuing to work in partnership with Wiltshire Council to identify properties responsible for localised ASB and secure Closure Orders for these properties. As well as monitoring and enforcing existing Closure orders we have identified a small number of additional problem properties and have begun to work with the Council to gather the evidence required to progress to Closure where appropriate. Closure Orders are powerful tools that we can use to address ASB originating from an address or location and are particularly useful in dealing with ASB associated to drug use and drug dealing.

Local Priorities & Updates Continued

Priority	Update
Drink Drug Drive Campaign	The national drink and drug drive campaign started on Wednesday 1st December and will run throughout December, to raise awareness of the potential dangers and consequences of drink and drug driving. During the month long campaign Wiltshire Police's Roads Policing Unit will be supported by Community Policing Teams across Wiltshire and Swindon to carry out increased patrols and operational activity.
