OBJECTIVES	EVIDENCE
1. The prevention of harm to children	
2. To prevent public nuisance	This representation is in support of the application provided by Alister Day from Police Licensing review WK202125402.

For many years Amesbury has had problems, with noise, and anti-social behaviour late at night. In some years there has been very few issues, and in other years, there has been significant problems. I hear about the problems first hand, as I have an interest in the properties at Beechwood Court.

One of the upsides of the current pandemic is that Amesbury has enjoyed a very quiet time during the night and especially at weekends. The quiet enjoyment has come and gone, and it appears that certain establishments, are making full use of our returned freedoms. Which is understandable, due to the pandemic.

Whilst I am not against people enjoying themselves, and going out. Landlords should be operating in a responsible and professional way, towards all parties that the premises can interact with.

It is very disappointing that licenced establishments cannot follow the licencing objectives, and should be servilely reprimanded for not doing so. The inability of licence holders not to follow the rules, then begins to effect the local neighbourhood and surrounding area. We have had people being sick, urinating in Beechwood Court. Smashed windows in the High Street, and as I understand, a lot of recent fighting in the town centre. All of the above information, covers three out of the four licencing objectives as listed below;

The Prevention of Crime and Disorder  
The Prevention of Public Nuisance  
Public Safety.

OBJECTIVES	EVIDENCE
<b>3.</b> To prevent crime and disorder	
<b>4.</b> Public Safety	

Please list below any suggested actions that you feel the applicant could take to address your concerns.

If a hearing needs to be held to determine the Premises Licence Application, the Councilors will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a Representation you will be invited to attend the Licensing Sub-Committee Hearings and any subsequent appeal proceedings relevant to your Representation.

**All Representations in their entirety, including your name and address, will be disclosed to the Premises Licence applicant.
