Grant Funding Application Summary

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
ABG782	Community Area Grant	Barford St Martin Community Fund	Barford St Martin Community Playground	£7624.00	£3812.00
<p>Project Summary: We are installing a children's playground in Barford St Martin's recreational field. We have been fund-raising for this project from the beginning of this year and have raised sufficient funds to pay for the installation of the playground equipment, which is due to be installed on 12th September. As well the playground equipment, we need to fund the installation of a fence surrounding the playground. This will ensure the safety and security of those children using the playground as well as restricting access by local dogs that walk in the playing field. Our intention is to install complimentary facilities such as seating and provide disabled access too. This all aims to provide an educational and social meeting place for the benefit of the many children as well as their parents that reside in the village</p>					
ABG762	Older and Vulnerable Adults Funding	Wiltshire Music Centre	Celebrating Age Wiltshire	£11065.00	£1500.00

<p>Project Summary: Celebrating Age Wiltshire (CAW) will use arts & heritage activities to reach the most isolated older people in the South West Wiltshire area, helping to tackle loneliness and aiming to improve their health and wellbeing through creative and artistic engagement. In particular CAW will target those people who are vulnerable and socially isolated due to frailty, ill health, dementia, poor mobility or caring responsibilities. Our programme has developed four different strands of both live and online activity to meet the needs of this group. CAW is a partnership of community organisations across the county with Wiltshire Music Centre as lead organisation.</p>					

1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

2. Main Considerations

2.1. Councillors need to be satisfied that the applications meet the requirements as set out in the Area Board Funding and Grants Criteria and that the health and wellbeing and young persons funding guidelines have been adhered to.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.

3. Environmental & Community Implications

Grant funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Councillors must ensure that the Area Board has sufficient funding available to cover the grants awarded.

5. Legal Implications

6. Human Resources Implications
