Calne welcomes back the Calne Bike Meet on Saturday.

Whilst we understand the vast majority of riders attending this event will be well behaved and ride responsibly. There unfortunately will always be a very small number of riders who may see the day as an opportunity to greatly exceed the speed limits on our roads.

On previous years we have received a number of complaints from residents along the A4 and A3102 routes. If you are attending the event, please ride responsibly.

If you wish to ride fast, do it safely and visit a local racetrack.

Police patrols will be in the area on the day. Please don't spoil the day for yourself or others.

Please respect the event organisers and marshals, without them giving up their spare time this event could not take place. Calne CCTV operators will also be monitoring the town centre to ensure the day runs smoothly and safely.

Please park your vehicle as appropriately as possible, especially near Station Road. Please do not park near the Calne Fire station entrance as this is an emergency service route.

Please also be mindful that emergency services may need to attend an emergency on the day.

Look out for each other, ride safe and enjoy the day.
