Community speed enforcement officer-updates

Local Priorities & Updates

Priority	Update
Op Sceptre- knife crime and harm reduction	In line with national and localised plans, Op Sceptre remains a focus. Op Sceptre, focused nationally on youth criminality and the carriage of knives. Both proactive response (policing) through to clear harm reduction ('Blunt Truth' input, Roots and Shoots, partnership work)
Theft/shoplifting reduction	In the lead up to Christmas, 'Operation Elf'- high visibility police patrols and targeted activity
Increase In police visibility	A core current priority is to increase police visibility within the community, through both physical and online presence. There has been a real drive and significant focus on high visibility policing in rural villages. Over the last 3 month period response and neighbourhood officers have recorded nearly 100 high visibility patrols in rural villages, including engaging with shops/premises and community events. This will continue
Drug use/supply	Over the course of the last few months, a spike in drug use has been noted. As a result, in the last 2 months 4 drug warrants have been executed by the neighbourhood team with significant levels of drugs recovered, and individuals arrested and subject to prosecution. Further drugs warrants are planned for the area.
