Statement from Mr Ian Newman Chair of Salisbury City Centre Management**

Statement

Whether Wiltshire Council can in some way support the retail businesses in Salisbury. Whilst we (SCCM) recognise that WC, themselves are under financial constraints our retail offer is not as good as our competitor cities/large towns and, until the Central and Maltings development scheme is up and running, we would therefore ask for some assistance with regard to parking charges. We also recognise the environmental benefits of park and ride and that we should do all we can to promote this.
