Community speed enforcement officer updates

Devizes Anti social behaviour- update

Youth violence remains a priority with Devizes.

A significant amount of work has been conducted including-

- Significant number of arrests, prosecutions
- Custodial sentences given to prominent and prolific offenders
- A number of further offenders working with mandatory youth engagement orders through the Youth Justice Service.

Awareness of public/community concern from 12/06/2023-
verbal update

Local Priorities & Updates

Priority	Update
Burglaries/theft	There has been an increase in low thefts and breaks in rural properties. This is a cross border issue with offenders primarily attending from the Thames Valley and Hampshire areas. In order to combat, a dedicated operation is in place with the rural crime team. This is joint up with surrounding forces and focuses on both prevention through crime safety advice to premises, and targeting of offenders. This is also linked to wider hare coursing offences and Operation Galileo. This is also linked to commercial breaks being seen across the area.
Anti Social Behaviour	Anti social behaviour within the town of Devizes remains a key policing priority. This ranges from managing the response to reports of youth issues (as discussed) through to proactively working with partners around anti social behaviour in the town centre (linked to last years decision to remove the benches). Work remains ongoing with Wiltshire council to seek a Public Space Protection Order for the area.
Increase In police visibility	A core current priority is to increase police visibility within the community, through both physical and online presence. More details to be announced soon but will include clear advertising of drop in sessions and accessibility, and a review of Police engagement/attendance at Parish Council level.
Theft from 'Beauty Spots'	As we move into the nicer weather/seasons- we are likely to start seeing an increase in thefts from vehicles in beauty spot locations. Early ongoing work with other forces and agencies and this will see enhanced police action as the seasons change.
