Reasons:

The Sub-Committee have considered the relevant provisions of the Licensing Act 2003 (in particular Sections 4 and 18); the guidance issued under Section 182 of the Act and the licensing policy of Wiltshire Council.

The Sub-Committee have considered the written evidence presented in the agenda, together with the oral evidence given at the hearing from the Applicant, Officers and those that made representations.

The Committee noted that some degree of noise disturbance may be present on occasion in the evenings, as was usual in areas where there were several licensed establishments open in the evening. It noted that it would be difficult to ascertain which of the establishments the people creating noise would have come from. There was also no evidence of any disturbance caused by the Conservative Club in the past.

All parties have the right to appeal to the Magistrates Court within 21 days of this decision. A Responsible Authority or interested party has the right to request the Local Authority to review the licence. Such an application may be made at any time, but it is in the discretion of the Local Authority to hold the review, and a review will not normally be held within the first twelve months of a licence, save for the most compelling reasons.
