The chairman gave the following updates:

- **Recruitment of Hackney carriage and private drivers**

The Chairman drew attention to a briefing note attached to the agenda which acknowledged the current shortage of taxi drivers in Wiltshire. It was outlined that Wiltshire Council has lots of contracts available which start at on average £30 a day for short routes, increasing to £250+ a day for longer route. Additionally that to become a taxi driver it takes around six weeks and costs around £400; and to be licensed people need to provide proof and undertake a series of simple checks. Further information could be found within the briefing note.

- **Solar Together Wiltshire**

The Chairman drew attention to a briefing note attached to the agenda which outlined a scheme that Wiltshire Council is driving forward locally called “Solar Together Wiltshire”. The note informed that Wiltshire Council is working with independent experts iChoosr and Swindon Borough Council to give homeowners the opportunity to invest in renewables through a group-buying scheme for solar panels and battery storage. The Chairman informed that this is a group-buying scheme which will offer solar panels with optional battery storage and EV charge points, as well as offering battery storage for residents who have already invested in solar panels and are looking to get more from the renewable energy they generate, as well as increase their independence from the grid.

It was noted that the scheme is free to register and there is no obligation for people to go ahead with an installation. All residents living in the Wiltshire Council and Swindon Borough Council areas who own their own house (or have permission from the landlord to install a solar PV system) can register for the Solar Together group-buying scheme. Further information regarding the scheme and how to register could be found within the briefing note.

- **Change to Community Area Transport Groups (CATGs) into Local Highway and Footway Improvement Groups (LHFIGs)**

The Chairman noted that on 26 April 2022 Wiltshire Council Cabinet approved plans to change Community Area Transport Groups (CATGs) into Local Highway and Footway Improvement Groups (LHFIGs) – and increase funding for community highways projects.

It was explained that the key difference between the new LHFIGs and the former CATGs is that the new groups would be able to improve or repair existing infrastructure such as highways and footways, while still investing in new infrastructure, as the previous CATGs could. The funding arrangements of LHFIGs was also explained with further information regarding LHFIGs and the Cabinet report available to access through the briefing note.

- **FUEL Camps**

The Chairman provided information about FUEL camps, which are a programme

	<p>of holiday activities and food provision. The camps are funded across England by the Department of Education (DofE) and aim to provide children who are eligible for benefits related free school meals with free access to enriching activities, nutritious meals and nutritional education during the Easter, Summer and Christmas holidays. Further information regarding FUEL camps as well as well as a report on the impact of FUEL in 2021 and a grant application form could be found within the agenda pack.</p>
8.	<p><u>Partner and Community Updates</u></p> <p>Updates were received from the following partners:</p> <ul style="list-style-type: none"> • Wiltshire Police <p>The Area Board received a verbal update from Inspector Al Lumley. An overview was provided of the performance over the last 12 months to March 2022, which included the following points:</p> <ul style="list-style-type: none"> • It was stated that crime types and numbers within the Westbury area align with the rest of the force. There has however been a slight increase in crime across the force when compared to last year, which could be attributed to bounce back from the pandemic. • An overview of Hate Crime was provided, with there being concerning stats in relation to race related offences. It was stated that though it is concerning on face value, the Police are aware of the issue and working to combat it. Additionally, specific offences can be attributed to a small number of individuals and repeat victims rather than a whole community. <p>An overview of the local priorities for Westbury was provided, which included the following areas:</p> <ul style="list-style-type: none"> • Drop-in surgeries – The Police continue to hold drop-in surgeries to allow people to speak to their local team, ask for advice and support. Times, Dates and Locations have been posted on Facebook as well as Community Messaging. New suggestions for locations were welcomed. • Thefts of Motorbikes – It was reported that there have been a number of motorbike thefts recently, with three people arrested to offences in Wiltshire (Marlborough). Some of the stolen bikes had been advertised as “for sale” on social media platforms; it was therefore advised that sellers take precaution following viewings or if the advertisement itself discloses the bike’s location. • Youth Conflict – Over the last quarter there has been a number of violent incidents involving feuding young men within the Westbury Area. The Police have been actively investigating these incidents as well as conducting patrols to deter. It was stressed that the general public are not at risk as the attacks are targeted towards those involved in the feud. <p>Following the presentation there was time for the following questions and points to be raised:</p>

- It was questioned how many of the of the 80 hate crimes committed had resulted in a formal action taken, with it clarified that that this was a rate of 13.5%, which had dropped from 20%. It was suggested that this increase was due to an increase in willingness of the public to report, with crime more hidden in previous years.
- It was queried why people feel more comfortable to report crime this year than they did in previous years, to which Inspector Lumley stated that it was likely to be more of a result of cultural society change than a Police trend.
- It was queried by a member of the public whether the stats presented within the presentation could be broken down by demographic; to which Inspector Lumley stated that they could using state of the art systems to produce detailed trends and maps.
- Disappointment was voiced towards the increase in sexual orientation crime, to which Inspector Lumley assured that there are specific hate crime officers who have a focus on looking at locations and working with repeat offenders.
- It was clarified by Inspector Lumley that a “Crib Call” is a 111 call that has been diverted to the Crime and Incident Bureau.
- Cllr Dean asked whether there had been any developments since the last Area Board meeting regarding youths coming from Warminster and Trowbridge on the train to cause disruption in Westbury town centre. Inspector Lumley updated that this has not been apparent recently but the Police are mindful of the weather changing and people staying out longer into the evening. Additionally, it was stated that the local Police have close ties with the British Transport Police.
- It was reported that in Dilton Marsh there has been a vehicle which has been parking closely to the junction on Park Lane. Inspector Lumley stated that it would be worth the Parish Council getting in touch with the Police as they would have the power to seize vehicles left in a dangerous position or would be able to knock on doors to discuss the issue with the registered owner.
- Further examples of dangerous parking were cited, with it suggested by Cllr Gordon King that the Police could potentially take up a campaign on inappropriate parking for one of their priorities.
- It was clarified by Inspector Lumley that Police officers carry Fixed Penalty Notice books with them whilst they are on duty, however distribution of these must be proportionate to what the force is trying to achieve.

- **Dorset & Wiltshire Fire and Rescue Service**

The Area Board noted a written update attached to the agenda. Ben Fielding updated Members that Fire representative, Simon Todd had now moved on from his post and had been replaced by Nic Courtice.
