Project Summary:

The Good Grub Club was set up by Abri's Community Involvement team in 2017 to help ease food poverty during the school holidays, providing both short term relief in terms of a free meal and long-term support in terms of teaching about nutrition and exercise to help families adopt healthier life choices. We currently run the club very successfully in other communities, utilising external funding from various providers and we believe it would be of great benefit to the families in Longhedge. The club would run weekly each school holiday and eligible families will benefit from healthy eating and cooking, understanding the importance of family mealtimes and will receive a free nutritious meal. Additional to this, the club is committed to providing physical educational activities for each family. This project has been delivered face to face but the pandemic lead us to creating an online service - food boxes of ingredients are delivered direct to the families with recipes and cooking tutorials are online. Items of sports play equipment are included ion the boxes to support and encourage activity at home. We can reach many more families delivering this way but due to the advanced planning required, the main associated cost to run these projects is ingredients. Fareshare are only able to donate a small percentage of the food as the items cannot be selected in advance. Using our experience delivering clubs in other areas, there is also a small cost to ensure families have suitable kitchen equipment to create the recipes and a cost to supplement any donated sports equipment. Abri would provide the staff, volunteers and other overheads. The local community centre have agreed to provide the venue for sorting ingredients and packing boxes, free of charge.

1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

2. Main Considerations

2.1. Councillors need to be satisfied that the applications meet the requirements as set out in the Area Board Funding and Grants Criteria and that the health and wellbeing and young persons funding guidelines have been adhered to.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.

3. Environmental & Community Implications

Grant funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Councillors must ensure that the Area Board has sufficient funding available to cover the grants awarded.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.
